This letter is to be used as an appeal as our Form 471 application certification was filed when there was no contract in place for the Funding Year 2013. This letter of appeal is in regards to:

John Siebeneck

Ballard School District R 2

BEN: 137257

Application Number: 889362

On January 23, 2013 I completed our Form 471 online. In a mistake on my part I submitted it without having a contract in place. I had contacted the provider but had not signed a contract. I did not sign a contract until January 25, 2013. I understand that program rules require that a signed contract with our service provider be in place when filing FCC Form 471. This was an oversight on my part and I hope that it is one that can be corrected. If there is any way that this can be corrected I will do so. I will also make sure this mistake does not happen again in the future. Please take into consideration my human mistake for submitting our Funding Year 2013 Form 471.

Sincerely,

John Siebeneck

Superintendent,

Ballard R-2 School District
