Cloudnet, Inc. 26 6th Ave. N, Suite 110 St. Cloud, MN 56303 320-240-6243

Contract for Services

This contract for services is between Cloudnet, Inc., 26 6th Ave. N, Suite 110 St. Cloud, MN 56303 and Central Minnesota Christian School, 204 School Street, Prinsburg, MN 56281. This contract for services is subject to Cloudnet's Terms and Conditions, as published on the Cloudnet web site.

Initial Setup Fee:

An initial setup fee of \$5000 will be required no less than 60 days prior to the start of the term of service, at which time upgrades to network infrastructure will be performed, allowing for the contracted level of service to be provided to CMCS. A discount equivalent to 1/24th of the initial setup fee will be applied to each monthly service fee during the initial term of the contract.

Description of Service:

Cloudnet will provide CMCS a dedicated 30M/30M wireless connection between the school and Cloudnet's network backbone in Prinsburg. The link will consist of a Cloudnet owned radio at each end, in either the 2.4GHz, 5Ghz, or 3.65GHz spectrum, to be determined by Cloudnet.

Service Type:

- **Internet Access (DIA)** - Delivered over wireless point to point backhaul
 - Dedicated Symmetrical Bandwidth Transport Service (Send and Receive)
 - No Transfer Limits on Data
 - Static IP Service (1 public IP) included. Additional IP's available.
 - Subject to Cloudnet's General Service Terms and Conditions.
 - Bandwidth increases up to 50M/50M can be made at any time at the original contracted rate without extending overall contract term with 30 days notice.
 - Pricing Schedule:

Transport	Month to Month	1 Year	2 Year
1-5 Mb	\$50/Mb	\$47/Mb	\$45/Mb
6-10 Mb	\$47/Mb	\$44/Mb	\$42/Mb
11-20 Mb	\$44/Mb	\$41/Mb	\$39/Mb
21-50 Mb	\$40/Mb	\$37/Mb	\$35/Mb

Created Exclusively for:
CMCS

Service Term:

The initial service term will be 24 months, starting 9/1/2013 and ending 8/31/2015. After the initial service term this contract will continue on a month-to-month basis, at the then current month-to-month rate for the provided service.

Monthly Recurring Service Fee: (24 month contract)

\$1050 - (\$35 x 30M) less a discount of 1/24th of the initial setup fee, during the initial service term. After the initial service term, the monthly service fee will be at the then current month-to-month rate, unless a new contract is established.

Related Services Options:**Included Professional Support Services (\$45/mo value):**

- Cloudnet Call Center Support during normal business hours.
- Professional Level Customer Support (via phone access code) for after hours, weekend, and holiday support. *
- 24/7 monitoring of your connection by Cloudnet

*Cloudnet maintains normal business hours between 8:00am and 5:00pm Monday thru Friday. Professional accounts will be provided a hotline # which is monitored 24/7 for off hours incidents based on their service level.

Additional Available Professional Support Services (for an additional fee)

- Advanced notification options for service status and related issues on your account (by text message and/or Email)
- Web based login for monitoring statistics for service related issues on your account
- Our monitoring and notification services can be extended to monitor servers and services on your LAN.
- Cloudnet network consulting and design services are available at \$100/hour.

Payment Methods:

- Automatic Check Handling – An automatic withdrawal from your checking or savings account.
- Credit Card – Cloudnet accepts VISA and MasterCard.
- Check or money order – Receive an invoice by mail monthly, quarterly or annually.

Billing Cycles:

- Monthly: (Monthly by Check, Credit Card or Automatic Check Handling)
- Quarterly: (3 months billed 4 times a year)
- Yearly: (10% discount for 1 year advance payment)

Created Exclusively for:
CMCS

Potential Services:

Upon conclusion of this project, and at your request, Cloudnet may provide additional services. These services are outside the scope of this services offering and will be addressed through an additional proposal and agreement as necessary.

Warranties and Limitations:

Warranties for any computer hardware/components and software products installed, as a result of this service will be the responsibility of the manufacturers of those products.

Cloudnet makes no warranties, express or implied, as to the functionality or capabilities of the hardware or software products installed as a result of this engagement. Our representations of any hardware and software products will be based on the representations of the products manufacturers and vendors utilized.

While results cannot be guaranteed, we will do our best to ensure you are pleased with our services and to adhere to the services, installation and setup costs presented above.

Again thank you for your consideration,

Michael J. Muggli
CEO
Cloudnet, Inc.
