Telecommunications Carriers

5-GF-218

CC Docket No. 96-45/WC Docket No. 10-90
Annual Certification of Support for Eligible Telecommunications
Carriers Pursuant to 47 C.F.R. §54.314

Dear Ms. Dortch and Ms. Majcher:

Pursuant to the requirements of 47 C.F.R. § 54.314, and the authority delegated to me by the Public Service Commission of Wisconsin (PSCW), the PSCW hereby certifies to the Federal Communications Commission (FCC) and the Universal Service Administrative Company that the telecommunications carriers included in this letter are eligible to receive federal high-cost support for the program years cited below. This certification is based on review of the copies of the FCC Form 481 submitted to the PSCW.

The PSCW certifies for the carriers listed on the attached sheet, all federal high-cost support provided to such carriers within Wisconsin was used in the preceding calendar year (2012) and will be used in the coming calendar year (2014) only for the provision, maintenance, and upgrading of facilities and services for which the support is intended.¹

The PSCW also requested sworn affidavits from each Eligible Telecommunications Commission that they certify they are in compliance with state Lifeline requirements. These requirements

¹ 47 C.F.R. §54.314(a) (“Certification. States that desire eligible telecommunications carriers to receive support pursuant to the high-cost program must file an annual certification with the Administrator and the Commission stating that all federal high-cost support provided to such carriers within that State was used in the preceding calendar year and will be used in the coming calendar year only for the provision, maintenance, and upgrading of facilities and services for which the support is intended. High-cost support shall only be provided to the extent that the State has filed the requisite certification pursuant to this section.”).

include use of queries of state databases to determine eligibility information through a web interface as the first and primary basis for confirmation of eligibility. Each of the listed carriers provided such certification and are eligible for continued compensation from the federal low-income program.
