Dear Ms. Dortch:

On Monday, December 16, 2013, Andrew D. Lipman and the undersigned, counsel to Melody Capital Partners, LP, met with Jonathan Chambers, Chief, Office of Strategic Planning and Policy Analysis, and Jennifer Tatel, Associate General Counsel. Mr. Lipman and I discussed the potential relationship of the Commission's ongoing LightSquared proceedings to the consideration and disposition of the LightSquared bankruptcy by the Bankruptcy Court. In particular, we discussed the current schedule of the Bankruptcy Court sale process and why it is important for the Court and potential bidders to have as much knowledge as possible about the Commission's timetable for decision in the ongoing regulatory proceedings in order to achieve the highest and best disposition of LightSquared. Accordingly, we urged the Commission to provide as much public transparency as possible into its ongoing proceedings and the likely timing of its decisions so that an appropriate valuation can be placed on LightSquared by potential bidders and the Court. No written materials were provided at the meeting.

Should you have any questions concerning this matter, please do not hesitate to contact me.

Very truly yours,

/s/ Jean L. Kiddoo
