Re: Supplement to Request for Review by US Link, Inc. of Universal Service Administrator Decision - WC Docket No. 06-122

Dear Ms. Dortch:

On September 30, 2013, US Link, Inc. ("US Link" or "Company") submitted a request to review and reverse an audit finding issued by the Universal Service Administrative Company ("USAC") to US Link on July 30, 2013 (the "Request for Review"). As noted in its Request for Review,¹ US Link has continued to work with customers to collect certifications supporting the intrastate nature of its private line circuits and has obtained end user customer certifications from an additional [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL] of its calendar year 2010 customers representing an additional [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL] of private line revenue. On October 24, 2013, US Link submitted these customer certifications to USAC along with US Link's revised 2011 FCC Form 499-A and a spreadsheet showing how the [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL] figure was calculated. On December 16, 2013, USAC advised US Link that it had accepted the filing. The amount in dispute regarding USAC's Audit Finding #1 concerning private line revenue therefore should be reduced from [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL] to [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL]. US Link's revised 2011 FCC Form 499-A, US Link's additional end user customer certifications, and a spreadsheet showing how the [BEGIN CONFIDENTIAL] [REDACTED] [END CONFIDENTIAL] figure was calculated are attached as Exhibits A and B respectively.

US Link incorporates herein by reference the Request for Confidential Treatment filed on September 30, 2013 in conjunction with its pending Request for Review. US Link's request satisfies the standards for grant of this request as set forth in Sections 0.457 and 0.459 of the Commission's Rules.
