In the Matter of

Wireless E911 Location Accuracy
Requirements

PS Docket No. 07-114

DECLARATION OF MARK McDIARMID

Affiant hereby states as follows:

1. My name is Mark McDiarmid. I am Vice President (“VP”) of Radio Network Engineering and Development for T-Mobile USA, Inc. (“T-Mobile”). I have been employed at T-Mobile for nine years. My business address is 12920 SE 38th St, Bellevue, Washington 98006 and our government affairs business telephone number is 202 654 5900.

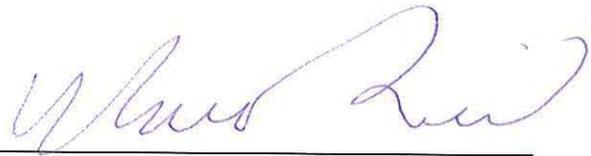

2. This declaration is intended to support T-Mobile’s updated Exclusion Report as required under the Commission’s *E911 Location Accuracy Second Report and Order* in the above-captioned docket. I am the contact person having chief oversight responsibility for monitoring the overall status of location accuracy compliance under the Commission’s Rules, Section 20.18(h). I am familiar with the requirements in the *Second Report and Order* as well as with the facts attested to in the updated Exclusion Report.

3. As of the time of this Exclusion Report, T-Mobile is using network-based location technologies.

4. Those counties or portions of counties that are listed in the Exclusion Report are excluded because of insufficient quantity, density, and/or geometry of cell sites in those areas to support network-based triangulation.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct to the best of my information and belief.

Executed on 16 December 2013
