Dear Ms. Dortch:

On December 19, 2013, Steven Berry, President & CEO of Competitive Carriers Association (CCA), Tim Donovan, VP, Legislative Affairs and the undersigned met with Commissioner O'Rielly, Erin McGrath and Amy Bender to discuss the comprehensive white paper recently filed by CCA on the subject of wireless competition, a copy of which is included with this *ex parte* notice.¹ The white paper urges the Commission to conduct a holistic review of the major obstacles and opportunities to sustain a competitive wireless industry, so as to drive economic growth and job creation, maintain our nation's global competitiveness and promote continued innovation, enhance consumer welfare, and to prevent the need to artificially recreate a competitive marketplace through regulation in the future.

¹ See Competitive Carriers Association, *A Framework for Sustainable Competition in the Digital Age: Fostering Connectivity, Innovation and Consumer Choice*, GN Docket No. 12-1268, *et al.* (filed Dec. 4, 2013) ("Wireless Competition White Paper").

This *ex parte* notification is being filed electronically with your office pursuant to Section 1.1206 of the Commission's Rules.

Sincerely,

/s/ C. Sean Spivey
