Shawnee County video visitation contract
FIRST AMENDMENT TO
MASTER SERVICES AGREEMENT
Contract # C470-2012

This FIRST AMENDMENT ("First Amendment") is effective as of the last date signed by a party ("First Amendment Effective Date") and amends and supplements that certain Master Services Agreement with an Effective Date of June 7, 2012 ("Agreement") by and between Shawnee County ("Customer") and Securus Technologies, Inc. ("Provider").

WHEREAS, Customer desires and Provider agrees to deploy an inmate video visitation system pursuant to the terms and conditions outlined below; and

NOW, THEREFORE, as of the First Amendment Effective Date and in consideration of the mutual promises and covenants contained herein, the parties agree as follows:

1. TERM. This First Amendment shall commence on the First Amendment Effective Date and shall remain in effect through the term of the Agreement. Further, Section 4 of the Agreement is hereby amended to reflect that the Initial Term shall be extended by twenty-four (24) months with a modified end date of August 27, 2019.

2. APPLICATIONS. In addition to the Applications currently being provided to you pursuant to the Agreement, Provider shall deploy a Video Visitation System at the Facility(s) named in the chart below during the Term of the Agreement (see Attachment 1).

VIDEO VISITATION

TERMS

The parties acknowledge that Securus Video Visitation sessions shall be limited to twenty (20) minute and forty (40) minute sessions. A session fee of $20.00 and $40.00, respectively, plus applicable taxes/fees/surcharges will apply to each paid remote Video Visitation session. As used in this section, a "remote" Video Visitation session means any sessions where Video Visitation traffic is routed over the internet. If Customer wishes to offer free remote session(s) for any reason, a session fee of $20.00 or $40.00 per session, plus applicable taxes/fees/surcharges, will be deducted from the monthly commission payments made to Customer.

During the Term of this Agreement, Customer will utilize its best efforts to allow the full utilization of the Video Visitation System at the Facility, including without limitation:

1. Customer agrees that Video Visitation must be available for a minimum of eighty (80) hours per Video Visitation terminal per week.

2. For non-professional visitors, Customer will eliminate all face-to-face visitation through glass or otherwise at the Facility and will utilize video visitation for all non-professional on-site visitors.

3. Customer will allow inmates to conduct remote visits without quantity limits other than for punishment for individual inmate misbehavior.

4. Customer will allow Provider to market and promote the use of the Video Visitation System to the inmates, in-person visitors, phone call participants and potential friends and family end users of the System by allowing Provider to (a) distribute Securus’ promotional literature in the Facility’s visitation lobby; (b) add a recording to the IVR phone system promoting Securus Video Visitation Services to phone call; and (c) issue a joint press release regarding the execution of this agreement by both parties.

All recorded Video Visitation sessions will have a standard retention of one-hundred eighty (180) days from the recording date. It is the responsibility of Customer to remove any desired recordings from the housing location for permanent storage within one-hundred eighty (180) days of their recordings as they may be permanently deleted by Provider after that time. Provider is not responsible for the loss or quality of any such recordings or the deletion of such recordings after one-hundred eighty (180) days.
COMPENSATION

Provider shall pay Customer the commission percentage that Provider earns through the completion of paid remote Video Visitation sessions placed to Customer’s Facilities as specified in the chart below. Provider shall remit the commission for a calendar month to Customer on or before the 30th day of the following calendar month in which the paid remote Video Visitation sessions were held (the “Payment Date”). All commission payments shall be final and binding upon you unless we receive written objection within sixty (60) days after the Payment Date.

*During the first twenty-four (24) months following the deployment of the Video Visitation System, Provider will pay the 20% commission percentage for only those months during which the Facility has achieved 795 remote paid visits or greater. For any months where the Facility does not achieve the 795 remote paid threshold during this first 24-month period, Customer will receive no commission payment hereunder. Commencing upon the twenty-fifth (25th) month following deployment of the Video Visitation System, Provider shall pay twenty percent (20%) each month during the Term of the Agreement.

*It is Customer’s responsibility to notify Provider in writing to effect the Video Visitation Commission payment. Changes will take effect on the first day of the month following receipt of written notice by Customer. Notice must be signed by a person who has binding authority for Customer and a copy delivered to:

SECURUS TECHNOLOGIES, INC.
CHIEF FINANCIAL OFFICER
14651 DALLAS PARKWAY, SIXTH FLOOR
DALLAS, TEXAS 75254

Commissions are paid in one-month arrears and are not subject to retro-active payments or adjustments for notice delays.

Notwithstanding anything to the contrary, the parties acknowledge that the provision of the Video Visitation service heretofore is based on Customer's estimated Average Daily Population (“ADP” count) and a minimum of one (1) remote paid visit per inmate per month. Therefore, if the number of remote paid visits averages less than 630 per month, Provider reserves the right, no sooner than twelve (12) months after the execution of this Agreement, to renegotiate payment hereunder or discontinue the services.

Provider will be responsible for all integration costs unless otherwise specified on Attachment 1.

WARRANTY: We warrant that the services provided by us as contemplated in and by this First Amendment will be performed in a good and workmanlike manner consistent with industry standards and practices. Provider further warrants that its agent(s) and/or employee(s) utilized by it in the performance of its obligations under this First Amendment will be qualified to perform the contracted services. Should any errors or omissions arise in the rendering of the services under this First Amendment, Provider will undertake to correct such errors or omissions within a reasonable time period. If Customer purchases from Provider any hardware components in connection with the services hereunder (“Hardware Components”), Provider warrants such components to be free from material defects under normal use, maintenance and service for a period of twelve (12) months from the date of installation of the Hardware
Components. This warranty shall be conditional on Customer's compliance with the provisions of this Warranty section.

Provider makes no warranty with respect to low performance, damages or defects in any Hardware Component caused by misuse, misapplication, neglect or accident, nor does Company make any warranty as to any Hardware Component that has been repaired or altered in any way, which, in the sole judgment of Provider affects the performance or purpose for which the Hardware Component was manufactured.

When applicable, Provider shall provide the required replacement parts and components free of charge.

THE WARRANTY OBLIGATIONS OF PROVIDER WITH RESPECT TO THE HARDWARE COMPONENTS ARE STRICTLY LIMITED TO THE REPLACEMENT OF ANY DEFECTIVE HARDWARE COMPONENT. IN NO EVENT AND UNDER NO CIRCUMSTANCES SHALL THE LIABILITY OF PROVIDER EXCEED THE UNIT PRICE PAID BY CUSTOMER FOR ANY DEFECTIVE HARDWARE COMPONENT OR PART THEREOF.

EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN A SCHEDULE TO THE AGREEMENT, THE SERVICES AND ANY HARDWARE COMPONENT TO BE PROVIDED HEREUNDER ARE PROVIDED WITHOUT ANY OTHER WARRANTY OR GUARANTY OF ANY KIND AND PROVIDER DISCLAIMS ANY OTHER EXPRESS OR IMPLIED WARRANTY, INCLUDING BUT NOT LIMITED TO THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

SOFTWARE LICENSE: We grant you a personal, non-exclusive, non-transferable license (without the right to sublicense) to access and use certain proprietary computer software products and materials in connection with the Video Visitation System (the “Software”). The Software includes any upgrades, modifications, updates, and additions to existing features that we implement in our discretion (the “Updates”). Updates do not include additional features and significant enhancements to existing features. You are the license holder of any third-party software product we obtain on your behalf. You authorize us to provide or preinstall the third-party software and agree that we may agree to the third-party End User License Agreements on your behalf. Your rights to use any third-party software product that we provide shall be limited by the terms of the underlying license that we obtained for such product. The Software is to be used solely for your internal business purposes in connection with the Video Visitation system at the Facilities. You will not (i) permit any parent, subsidiary, affiliated entity, or third party to use the Software, (ii) assign, sublicense, lease, encumber, or otherwise transfer or attempt to transfer the Software or any portion thereof, (iii) process or permit to be processed any data of any other party with the Software, (iv) alter, maintain, enhance, disassemble, decompile, reverse engineer or otherwise modify the Software or allow any third party to do so, (v) connect the Software to any products that we did not furnish or approve in writing, or (vi) ship, transfer, or export the Software into any country, or use the Software in any manner prohibited by the export laws of the United States. We are not liable with regard to any Software that you use in a prohibited manner.

OWNERSHIP AND USE: The Video Visitation System and Software shall at all times remain Provider’s sole and exclusive property. Provider (or Provider’s licensors, if any) have and will retain all right, title, interest, and ownership in and to (i) the Software and any copies, custom versions, modifications, or updates of the Software, (ii) all related documentation, and (iii) any trade secrets, know-how, methodologies, and processes related to Provider’s Applications, the Video Visitation System, and Provider’s other products and services (the “Materials”). The Materials constitute proprietary information and trade secrets of Provider and its licensors, whether or not any portion thereof is or may be the subject of a valid copyright or patent.

LEGALITY/LIMITED LICENSE AGREEMENT: For services related to applications which may allow Customer to monitor and record inmate visitation sessions, by providing the application, we make no representation or warranty as to the legality of recording or monitoring such sessions. Further, Customer retains custody and ownership of all recordings; however Customer grants Provider a perpetual limited license to compile, store, and access recordings for purposes of (i) complying with the requests of officials at the Facility, (ii) disclosing information to requesting law enforcement and correctional officials as they may require for investigative, penological or public safety purposes, (iii) performing billing and collection functions, or (iv) maintaining equipment and quality control purposes. This license does not apply to
recordings of inmate visitation sessions with their attorneys or to recordings protected from disclosure by other applicable privileges.

All terms and conditions of the Agreement not amended by this First Amendment remain in full force and effect.

All capitalized terms used but not defined herein shall have the meanings set forth in the Agreement.

IN WITNESS WHEREOF, the parties have executed this First Amendment as of the First Amendment Effective Date by their duly authorized representatives.
