MOTION FOR SECOND EXTENSION OF TIME

The City of Kent, a Washington municipal corporation (“Kent”), requests a further extension of time until January 30, 2014, to file its Opposition to Comcast's Petition for Special Relief regarding Determination of Effective Competition in 7 Washington Franchise Areas in the above-captioned matter.

Good cause exists for granting this request, as counsel for Comcast and counsel for Kent are in the midst of discussions related to Comcast's Petition for Special Relief and it will enable Kent to submit a full and accurate filing so that the Commission can proceed with an appropriate record before it. Moreover, the public will not be prejudiced by this delay, and Counsel for Comcast, Fred Giroux, has consented to the requested extension. This request for extension was also submitted via e-mail directly to Steven Broeckaert, Senior Deputy Division Chief, FCC Policy Division, Media Bureau.

Respectfully submitted,
