ERRATUM

Released: January 8, 2014

By the Chief, Wireline Competition Bureau:

On December 20, 2013, the Wireline Competition Bureau released an Order, DA 13-2457, in the above-captioned proceeding. This Erratum amends the Order as indicated below:

1. In paragraph 8, correct the fifth and sixth sentence to read as follows:

“Silver Star’s Wyoming study area becomes eligible for redistribution in the first period because it becomes uncapped by the benchmarks during that period. Due to the higher benchmarks, Silver Star will be entitled to additional support above what it received with the lower benchmarks in the first period.”

2. In the Appendix of the Order, in the last row of the table entitled “Wyoming Study Area 512295 -- July 1, 2012 through December 31, 2012,” replace 90% Opex CPL Estimate “775.65” with “781.81” and Capped “Yes” with “No.”
