**Subject:** FCC Docket No. 13-286, CSR-8854-E - Assented to Motion for Extension of Time

Mr. Broeckaert,

I am writing to request an extension of time until January 13, 2014, for the City of Kent to file its Opposition to Comcast's Petition for Special Relief regarding Determination of Effective Competition in 7 Washington Franchise Areas in FCC Docket No. 13-286, CSR-8854-E.

Good cause exists for granting this request, as it will enable the City of Kent to submit a full and accurate filing so that the Commission can proceed with an appropriate record before it. Moreover, the public will not be prejudiced by this delay and Fred Giroux, Counsel for Comcast, has in fact consented to the requested extension. I have copied Mr. Giroux and Ms. Elana Zana on this email.

Thank you for your time,

Kathy
