Office of the Secretary

In the Matter of: Petition for Rule-Making for Emergency Information

In our letter of October 3, 2008, we petitioned the Federal Communications Commission to issue rules regarding the accessibility of emergency textual announcements on television.

Thanks in large part to the implementation of the Twenty-First Century Communications Video Accessibility Act it is not necessary for the docket to remain open. Therefore, the American Council of the Blind (ACB) is writing to withdraw our petition.

Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Eric Bridges".
