To Whom This May Concern,

December 2, 2013.

It has recently come to my attention that the FCC has a resolved case in regards to Telephone Charges for Inmate Calling Rates including Ancillary Charges that are not to exceed \$3.75/15 minute call(s).

I have just recently spoken to my Dad on the phone (in Salt Lake City, Utah), and he tells me his calls cost him a little over \$6.00 per 15 minute call from me.

As you can see by the letter head, I am in Prison... On Death Row in California.

Would you please provide me with the information on HOW to go about getting these phone charges reduced to the maximum \$3.75/15 minute call? In other words, What information can I provide my Dad with to obtain this relief?

Thank You for your cooperation in this matter.

Sincerely,

Randy Wall
