

REDACTED - FOR PUBLIC INSPECTION

The screenshot shows the GoSmart mobile website interface. At the top, there is a navigation bar with the GoSmart logo, a search bar, and links for Coverage, Store Locator, Support, and Español. Below this is a secondary navigation bar with links for GET STARTED, SHOP PHONES & SIMS, BROWSE PLANS & SERVICES, ACTIVATE ACCOUNT, and REFILL ACCOUNT. The main content area features a large banner: "NO EXTRA CHARGES, NO HIDDEN FEES". Below the banner are three plan options: \$30/MO. UNLIMITED TALK & TEXT, \$35/MO. UNLIMITED TALK, TEXT & WEB, and \$45/MO. UNLIMITED TALK, TEXT & HIGH-SPEED WEB. A popup window is open for the \$30 plan, displaying its details. The popup includes sections for PLAN, INCLUDED SERVICES, OPTIONAL SERVICES, and PLAN LENGTH. The background shows a list of features like UNLIMITED NATIONWIDE TALK, UNLIMITED NATIONWIDE MESSAGING, and UNLIMITED NATIONWIDE WEB, along with a "HIGH SPEED" badge. At the bottom, there is a footer with navigation links for Shop & Go, Information, and Company, and a promotional banner for "CHECK OUT PHONE REBATES".

Details: MetroPCS does not sell the iPhone and is not affiliated with Apple Inc. Only T-Mobile's and AT&T's iPhones, and Verizon's and Sprint's iPhone 5 will work on our network. iPhones may have limited functionality, including coverage limitations. Capable device required to achieve 4G speeds. MetroPCS 4G coverage and service not available everywhere; see metropcs.com for coverage details. iPhone is a registered trademark of Apple Inc., registered in the U.S. and other countries. Device Unlocking: Nationwide MetroPCS service is with any unlocked compatible GSM phone. If your current GSM phone is from another carrier, you may need to contact them to have it unlocked. Not all Android phones and iPhones compatible. Use may affect your rights and obligations. Check your device warranty and any contract you may have with your current wireless carrier to see what conditions apply to unlocking your device. MetroPCS is not affiliated with and does not endorse relesemycode.com; use it at your own risk. General Terms: Coverage and services not available everywhere. Sales tax not included. Not active until scanned at register. Additional airtime purchase is required to start using service. Device and screen images simulated. Monthly plans provide wireless service and speeds vary per device. MetroPCS 4G coverage and service not available everywhere; see coverage details at metropcs.com. Nationwide long distance only in continental U.S. and Puerto Rico. MetroPCS services for personal use only. Coverage: Maps approximate anticipated coverage outdoors, which may include limited or no-coverage areas, and do not guarantee service availability. Network Management: Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. Return Policy: No refund or return for SIM card purchased or related service. This return policy only applies to new SIM cards and related services purchased from MetroPCS, its authorized dealers and metropcs.com. Monthly service, application download fees, other fees and funds in MetroConnect® accounts are non-refundable. Purchases made at National Retail locations may be governed by National Retailer return policies. See metropcs.com for Terms and Conditions of Service. See associate, brochures and Terms and Conditions (including arbitration provision) at metropcs.com for rate plan options, coverage maps, charges for features and services, and restrictions and details. ©2013 T-Mobile USA, Inc. MetroPCS related brands and trademarks are the exclusive properties of T-Mobile USA, Inc. All other product and brand names are the properties of their respective owners.

REDACTED - FOR PUBLIC INSPECTION

\$25 Unlimited talk and text plan

General: New activations and reactivations only. Limited time offer, while supplies last. Eligible phone availability may vary and is not guaranteed. A one-time \$10 promotion fee charged on acceptance of offer; promotion fee waived for reactivations. Nationwide coverage of over 280 million population based on Experian 2012 data. Any change in phone will forfeit this promotional rate, and thereafter service will be charged at then available rates. Cannot be combined with any other offers. Available only in MetroPCS company stores or authorized dealer locations; not available online or at national retail stores. Not available for Family Plan discount or participation in Family Plan. No rain checks. Coverage and services not available everywhere. Rates, services and features subject to change. MetroPCS service for personal use only. Devices and screen images simulated. Other restrictions apply. **Phones:** Offer only valid with new activation or reactivation of MetroPCS Huawei M835, Huawei M835 SE tokidoki, Samsung Admire Red, Samsung Admire White, ZTE Score M, HTC Wildfire, LG Optimus M+, Samsung Freeform™ III, Huawei Pinnacle 2, Huawei M735 Blue, LG Beacon™, Samsung Contour™ 2, LG Select, Kyocera Presto, and Huawei Verge™, Alcatel 768, Samsung Freeform M, and Huawei Pal phones. 4G, BlackBerry®, LTE, HSPA and BYOD phones are not eligible. **Plan Details:** \$25 per month service plan offer includes unlimited talk and text, voicemail, local and long distance calling, nationwide coverage, 3-way calling, caller ID and call waiting. Not included are MMS, web and data services. Not available with other add-on features, other than MetroGUARDSM insurance and the Picture Messaging (MMS) add-on service; the Picture Messaging (MMS) add-on service not available on GSM phones. Nationwide long distance only available to continental US and Puerto Rico. **Wi-Fi:** Wi-Fi usage does not count toward your monthly data allotment, if any. Phone will not automatically transition between Wi-Fi networks and the cellular network; you have to select to use a Wi-Fi network on these phones. Phones using wireless connections may be vulnerable to unauthorized attempts to access data and software stored on the device. **Network Management:** Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming. See store or metropcs.com for details, coverage maps, restrictions and Terms and Conditions of Service (including arbitration provision). **Copyright:** MetroPCS related brands and trademarks are the exclusive properties of T-Mobile USA, Inc. NET10 PAY AS YOU GO, NET10 30 DAY MONTHLY PLANS AND
NET10 UNLIMITED WITH INTERNATIONAL CALLING

TERMS AND CONDITIONS OF SERVICE

Please read these Terms and Conditions of Service carefully. These Terms and Conditions of Service are a legally binding agreement between you and NET10. NET10 is a brand of TracFone Wireless, Inc. These Terms and Conditions of Service contain important information about your legal rights, and require that certain disputes be resolved through Arbitration instead of a court trial. By purchasing or activating a NET10 Phone or NET10 SIM card and/or using any NET10 Service including, without limitation, NET10 Pay As You Go, NET10 Unlimited Service, any NET10 Monthly Plan, Easy Minutes or Rapid Refill ("Service"), you acknowledge and agree to these Terms and Conditions of Service. These Terms and Conditions of Service are subject to change at any time without notice. Any changes to these Terms and Conditions of Service are effective and binding upon you when posted on our websites at NET10.com.

If you are enrolled in a NET10 Unlimited Service Plan or if you purchase a NET10 30 Day Unlimited Airtime Card for your NET10 Phone, certain terms and conditions will vary and additional terms and conditions will apply (see NET10 UNLIMITED TERMS AND CONDITIONS set forth below). In the event of a conflict between the Terms and Conditions for NET10 Pay As You Go and NET10 Unlimited, the NET10 Unlimited Terms and Conditions will control for customers who are enrolled in a NET10 Unlimited Service Plan or who purchase a NET10 30 Day Unlimited Airtime Card.

For assistance or more information, please contact NET10 Customer Care at 1-877-836-2368.

1. ACTIVATING AND USING YOUR NET10 SERVICE

You may purchase a NET10 wireless phone or a NET10 SIM card for use with your own compatible wireless phone or activate a compatible CDMA phone with NET10 service.

You must activate your NET10 Phone by contacting Customer Care at 1-877-836-2368 from a landline phone or by visiting the NET10 website at NET10.com. If you have purchased a NET10 SIM card for use with your own compatible phone, follow the instructions that came with the SIM card to activate your service. When you activate your service, you will have the option of registering with us and providing your name, address, email address and alternative contact telephone number. If you elect not to register at the time of activation, you may not be able to obtain copies of your call detail records except upon service of a valid Subpoena or a Court order.

their NET10 Reserve queue by entering "438" at the Add Airtime Menu on their phone. If you are an Auto-Refill customer and add a Service Plan or Service Card to your NET10 Reserve, the Plan in Reserve will take precedence over the Auto Refill and it will be applied before the next Auto Refill purchase is processed. NET10 customers with unapplied Plans in their NET10 Reserve will be unable to purchase Pay As You Go service until all Plans in their NET10 Reserve have been applied.

NET10 30 Day Monthly Plan Auto-Refill: You may enroll in Auto-Refill for a NET10 30 Day Monthly Plan by registering your credit or accepted debit card (with Visa or MC logo) at NET10.com/easyminutes. With Auto-Refill, you will receive a recurring charge to your credit or accepted debit card on your Service End Date each month which will automatically refill your NET10 service with the 30 Day Monthly Plan you select. PLEASE NOTE: If you have any 30 Day Monthly cards in your NET10 Reserve, those cards will be applied first before an Auto-Refill purchase is processed. Once you have used all NET10 Service Plans in your NET10 Reserve, the Auto-Refill purchases will resume.

4. TEXT MESSAGING

The rate to send or receive a text message to or from another phone is generally .5 units (5 cents per message). On certain NET10 Phones, other text messaging rates may apply. See individual NET10 Phone package for details.

If you are on one of the 30 Day Monthly Plans, the rate to send or receive a text message is 1 unit or minute per text message.

If you do not want to incur text messaging charges, do not send or open a text message. NET10 Pay As You Go Service does not allow international text messages except on certain limited models of phones that include free international text messaging as described on the phone packaging (currently available on specially marked Android LG Optimus Net™ (L45C), LG Optimus Q™ (L55C) and LG Optimus Black™ (L85C) sold by NET10). On all other models of NET10 phones or if you have purchased a NET10 SIM card or activated NET10 service on a CDMA phone, any attempt to send an international text message could result in Service deactivation.

NET10 does not generally participate in Premium SMS services or campaigns. Premium SMS services usually involve sending a text message to a designated "short code" or attempting to buy SMS services from anyone other than NET10. Premium SMS campaigns include casting a vote, expressing your opinion, playing a game, or participating in interactive television programs through the use of a wireless phone.

IMPORTANT SUMMARY INFORMATION ABOUT YOUR DATA SERVICES CHARGES

- ▼ **NET10 Mobile Web Access**
Each time you access the NET10 Mobile Web with your NET10 Phone's browser, 1.0 minute of airtime per minute of access will be deducted from your NET10 Phone. NET10 Mobile Web Access Charges are deducted in full minute increments. Mobile Web access of less than 60 seconds is rounded up to the next full minute. 1 minute of NET10 Mobile Web Access = 1.0 minutes of airtime.
- ▶ **Downloading Content (Ringtones and Graphics)**
- ▶ **Picture Messaging (Multi-media Messaging)**
- ▶ **Subscription to Information Services**
- ▶ **Restrictions**

Data Services Notice

Your NET10 phone service must remain active to access your subscription to Information Service. If your NET10 phone service expires, your subscription to Information Services will be terminated. Your Information Services subscription will not be reinstated, even if your NET10 phone is reactivated during the original subscription period. There is no pro-rated refund of Subscription Charges as a result of deactivation or expiration of service. Attempting to go to a URL outside of the NET10 Mobile Web on your NET10 phone is not possible, and you will be charged minutes if you type in another URL and try. After you add an airtime card, it may take up to 60 minutes for the conversion factor on your NET10 phone to be updated. If the NET10 Mobile Web is down, and you have opened your browser, you will be charged the Access Charge of 1.0 minutes per minute of accessing, even though you will not be able to view the Mobile Web.

This summary information is subject to the additional Terms and Conditions for Data Services contained the NET10 Welcome Kit and on the web at www.net10.com.

The 12

250 Minutes, 250 Text/Picture* Messages, 10 MB Data

The 12 plan is our light usage package for minimal cell phone users. The 12 plan offers the right amount of talking and texting for anyone looking to save on their monthly bill. Plus, you get 10 MB of data so you can do things like occasionally check your email. It's the perfect low budget, monthly plan.

If you use services beyond the voice minutes, text/picture* messages and data included in this plan (e.g., 411 calls, roaming, international voice, international text, premium SMS, excess data), you will incur additional charges that will reduce your account balance. Therefore, it is important to have a sufficient balance on your renewal date (at least \$12) in order to renew your 12 plan.

Add to Cart

Starting and Renewing *The 12* Monthly Plan

Whether you are new to Page Plus or an existing Page Plus customer on a different plan ([click here](#) for information on switching plans), you must purchase and load an initial 12 plan PIN onto your account to subscribe to this plan. Once the plan is active, you can replenish it monthly with additional 12 plan PINs, which can be "stacked" in advance if you choose.

Optionally, you may renew your plan with Standard plan PINs, provided you carry a sufficient amount on your plan renewal date to renew your plan. Since Standard PINs have the effect of adding a cash balance to your account when you are on an active monthly plan, you can use your cash balance to automatically renew your monthly plan; as cash for additional charged services such as international calls; or to add a reserve to your account for "overages." For example, if you run out of data on your plan before your renewal date and want to use more, you can use your cash balance to continue using data at the "overage" rate of the plan. If there is a stacked monthly plan PIN and a sufficient cash balance to renew the plan, the plan will renew from the cash balance before renewing from the stacked PIN.

Alternatively, you can renew your entire plan early by calling Customer Service and requesting an early renewal. Calling Customer Service is the ONLY way to do this - simply adding another plan PIN to your account will not automatically renew your plan early. If Customer Service renews your plan early for you, the entire plan of minutes/messages/data will be reset - nothing will roll over, and your new renewal date will be set for one month out.

This plan is subject to Page Plus [Terms and Conditions](#) regarding unreasonable use or abuse.

Page Plus Cellular is not responsible for lost, stolen, or misplaced cards.

This card is non-transferable and non-refundable.

Price: \$ 12.00

Service	Charge	Rate
Monthly Fee	\$12/month	Monthly for 250 domestic voice minutes, 250 domestic text/picture* messages, and 10 MB of data
Overage Charge - Voice	\$0.05	per minute over 250 in one month
Overage Charge - MMS*	\$0.05	per multimedia message over 250 in one month

REDACTED - FOR PUBLIC INSPECTION

Overage Charge - Text	\$0.05	per text over 250 in one month
Calls to Puerto Rico	\$0.05	per minute
Calls to Mexico (landline), Canada, Guam & U.S. Virgin Islands	\$0.34	per minute
Calls to Mexico (cellular)	\$0.49	per minute
Calls to All Other Countries	\$1.50	per minute
Calls within Canada, Puerto Rico, U.S. Virgin Islands	\$0.60	per minute
Calls While Roaming	\$0.29	per minute
International Text Messaging	\$0.20	per message sent or received
Text Messages within Canada, Mexico, Bermuda, Puerto Rico, U.S. Virgin Islands	\$0.50	per message sent
Text Messages within Canada, Mexico, Bermuda, Puerto Rico, U.S. Virgin Islands	\$0.25	per message received
Data Transport**	\$0.10	per MB
Directory Assistance (411)	\$1.25 + airtime	per call + per minute

* Data charges may apply.

** Data Transport is used to transmit and receive data for picture messaging (MMS), mobile web (WAP), e-mail and all other standard applications that require data not listed here. This rate applies if you exceed the 10 megabytes included in the plan.

To Activate *The 12 Monthly Plan*

To start using *The 12* plan (even if you are a current Page Plus customer on a different plan), you will need to purchase an initial *12* plan PIN. Once subscribed, you can use Standard or *12* PINs to renew the plan.

Once you have purchased your *12* PIN, you can activate using any of the following methods (make sure you are not using your Page Plus cell phone while attempting to activate):

- Dealer: The store where you purchased your PIN can activate the plan for you. Charges may apply. Use our [store locator](#) to find a dealer near you.
- Online: [Register](#) or [login to My Account](#) and follow the instructions.
- Call our 24-hour automated system at 1-877-359-6695 from a landline.
- Call Customer Service at 1-800-550-2436 (Mon-Sat: 9:00 AM – 10:00 PM, Sun: 12:00 PM – 8:00 PM Eastern).

Automatic Renewal Makes It Easy

Optionally, you can set up an Auto Pay program that automatically charges your credit card \$12 every month. To set up Auto Pay [create an online account](#) and click on "Auto Pay" after you add a phone.

Standard rates will apply for roaming, international voice, international text and premium SMS. If you use more than the included minutes/messages/data in this plan, you will be charged the overage rates listed in the services chart on the Plans Detail tab.

Account Balance

Page Plus Cellular holds your account balance in US Dollars. When you use a service, your account will be charged the amount per the Services chart as listed in the Plans Details tab on this page. Use typically begins when you answer a call, and continues until you end the call or it is otherwise terminated.

Account Life Cycle

The 12 plan renews automatically every month. In order to keep your Page Plus service active, you must add funds within 60 days from your last replenishment. Failure to do so will result in a loss of your balance and trigger a 30-day grace period, after which your phone number will be deactivated.

Home » Plans » Talk n Text 1200

Talk n Text 1200

1,200 Minutes, 3,000 Text/Picture* Messages, 500 MB Data

At \$29.95 a month, this is the most cost-effective plan for people with average usage of voice calling, text/picture* messaging and data usage. The Talk n Text 1200 plan includes 1,200 domestic voice minutes, 3,000 domestic text messages (SMS) or picture/video messages* (MMS), and 500 megabytes (MB) of data – more of each than the average person uses in a month. It is an especially good plan for people who are paying more per month for unlimited plans yet are not using as many minutes/messages/MB of data as this plan provides. Once activated, this plan will renew automatically every month.

Add to Cart

If you use services beyond voice minutes, texts and data included in this plan (e.g., 411 calls, roaming, international voice, international text, premium SMS, excess minutes, texts or data), you will incur additional charges that will reduce your account balance. Therefore, it is important to have a sufficient balance on your renewal date (at least \$29.95) in order to renew your Talk n Text 1200 plan.

Starting and Renewing the *Talk n Text 1200* Monthly Plan

Whether you are new to Page Plus or an existing Page Plus customer on a different plan ([click here](#) for information on switching plans), you must purchase and load an initial *Talk n Text 1200* PIN onto your account to subscribe to this plan. Once the plan is active, you can replenish it monthly with additional Talk n Text 1200 PINs, which can be "stacked" in advance if you choose.

Optionally, you may renew your plan with Standard plan PINs, provided you carry a sufficient amount on your plan renewal date to renew your plan. Since Standard PINs have the effect of adding a cash balance to your account when you are on an active monthly plan, you can use your cash balance to automatically renew your monthly plan; as cash for additional charged services such as international calls; or to add a reserve to your account for "overages." For example, if you run out of data on your plan before your renewal date and want to use more, you can use your cash balance to continue using data at the "overage" rate of the plan. If there is a stacked monthly plan PIN and a sufficient cash balance to renew the plan, the plan will renew from the cash balance before renewing from the stacked PIN.

Alternatively, you can renew your entire plan early by calling Customer Service and requesting an early renewal. Calling Customer Service is the ONLY way to do this - simply adding another plan PIN to your account will not automatically renew your plan early. If Customer Service renews your plan early for you, the entire plan of minutes/messages/data will be reset - nothing will roll over, and your new renewal date will be set for one month out.

This plan is subject to Page Plus [Terms and Conditions](#) regarding unreasonable use or abuse.

Page Plus Cellular is not responsible for lost, stolen, or misplaced cards.

This card is non-transferable and non-refundable.

Home » Plans » \$10 Standard PIN

\$10 Standard PIN

Standard PINs are dual-purpose. They can be used for basic Pay-As-You-Go cell phone service, or as cash that you can add to a monthly plan that allows you to use more minutes, messages and/or data than your monthly plan provides.

Pay-As-You-Go

One way to use the \$10 *Standard* PIN is for pay-as-you-go cell phone service on our *Standard* plan. Once the PIN has been applied to your account, your prepaid account balance can be used for talk, text and data at the per-usage rates listed in the table below. When your balance is used up, simply add another *Standard* PIN. That's the beauty of prepaid – when you run out, just add more.

Standard PINs last for a period of 120 days*, so you can use it over time. This option is ideal for low-usage customers who only need to use their phone occasionally, like for emergencies.

Once activated, the 120-day duration takes effect immediately and is subject to the [terms of service](#) provided by Page Plus Cellular. Additional *Standard* PINs loaded to your account restart the 120-day rollover period. There is a \$0.50 per month service fee on the *Standard* plan.

*The \$10, \$25, and \$50 *Standard* PINs last 120 days. The \$80 *Standard* PIN (available only through authorized Page Plus dealers) lasts 365 days.

Monthly Plan Add-On

The \$10 *Standard* PIN can also be used as a monthly plan cash add-on. By adding a \$10 *Standard* PIN to an active monthly plan, you can use extra minutes, messages or data should you run out before your renewal date. Additional usage is based on the overage rates of your monthly plan. For example, if you run out of data and the data overage rate on your monthly plan is \$0.05 per MB, adding a \$10 PIN will give you an additional 200 MB to use.

Think of it as "Flex Data" - it's flexible in the sense that you don't have to wait until your renewal date to continue using talk, text or data. In addition, it's flexible because it rolls over month-to-month, so you can use it over time, just in months when you need it.

Don't worry – by adding a *Standard* PIN to your active monthly plan, you will not be switched to the *Standard* plan. To switch to the *Standard* plan from a monthly plan, you can call customer service and request it.

Need more minutes? Try [416 minutes](#) for only \$25.

Need a lot more minutes? Try [1,000 minutes](#) for only \$50.

Need a whole lot more minutes? Try [2,000 minutes](#) for \$80*

*While the \$10, \$25 and \$50 denominations of the *Standard* plan last 120 days, the \$80 denomination lasts for a full year. The \$80 card/PIN is only available from authorized Page Plus dealers and/or their online store.

Page Plus Cellular is not responsible for lost, stolen, or misplaced cards.

This card is non-transferable and non-refundable.

Price: \$ 10.00

Plan Details

Standard airtime includes domestic voice calling within the Page Plus network. The following chart lists additional services and their associated rates:

Service	Amount	Rate
Calls to Domestic Numbers	\$0.10	Per Minute
Calls to Puerto Rico	\$0.12	Per Minute
Calls to Mexico (landline), Canada, Guam & U.S. Virgin Islands	\$0.34	Per Minute
Calls to Mexico (cellular)	\$0.49	Per Minute
Calls While Roaming	\$0.29	Per Minute
Text Messages (SMS)	\$0.05	Per Message Sent or Received
International Text Messaging	\$0.20	Per Message
Picture Messaging (MMS)	\$0.25 + Data Transport*	Per Message Sent or Received
Data Transport*	\$0.00099/KB (\$0.99/MB)	
Directory Assistance (411)	\$1.25 + Airtime	Per Call + Per Minute

*Data Transport:

Data Transport is used to transmit and receive data for MMS (Picture Messaging), WAP (Mobile Web), e-mail and all other standard applications that require data not listed here. Standard data transport for MMS messages will be between 20 KB and 200 KB (\$0.0198 and \$0.198, respectively).

To Activate the \$10 Standard PIN

To start using a the \$10 *Standard* PIN (even if you are a current Page Plus customer on a different plan), you will need to already be subscribed to a current monthly plan or have purchased a Pay-As-You-Go plan PIN. You can use a \$10 *Standard* PIN to add minutes to any of our monthly [plans](#).

You can activate using any of the following methods (make sure you are not using your Page Plus cell phone while attempting to activate):

- Dealer: The store where you purchased your PIN can activate the plan for you. Charges may apply. Use our [store locator](#) to find a dealer near you.
- Online: [Register](#) or [login to My Account](#) and follow the instructions.
- Call our 24-hour automated system at 1-877-359-6695 from a landline.
- Call Customer Service at 1-800-550-2436 (Mon-Sat: 9:00 AM – 10:00 PM, Sun: 12:00 PM – 8:00 PM Eastern).

Replenishing an Account

Each Page Plus Cellular prepaid card comes with a number of prepaid cell phone minutes and a service period that begins the day you add the balance to your Page Plus Cellular account. For each Page Plus Cellular airtime card you purchase and add to your account, you will receive the following:

Card	Minutes	Rate per minute
\$10	100	\$0.10
\$25	416	\$0.06
\$50	1,000	\$0.05
\$80	2,000	\$0.04

Account Balance

REDACTED - FOR PUBLIC INSPECTION

When you use a service, your account will be charged at the rate listed above. Use typically begins when you answer a call, and continues until you end the call or it is otherwise terminated.

Account Life Cycle

The replenishment cycle for standard prepaid cell phone minutes is 120 days. In order to keep your Page Plus service active, you must add airtime prior to your end-of-service date, which is 120 days from your last replenishment. Failure to do so will trigger a 30-day grace period, after which your phone number will be deactivated.

Usage Fees

Use typically begins when you place or answer a call, and continues until you end the call or it is otherwise terminated. The rate billed is in accordance with the airtime denomination purchased. There is also a monthly service fee of \$0.50 that is deducted from your account on the 25th of every month. Any additional service features used will be billed according to the Services chart as listed in the Plans Details tab on this page.

Service Features

- 3-Way Calling
- Call Forwarding
- Caller ID
- Caller ID Blocking
- Call Waiting
- Direct International Dialing
- International Roaming
- International Text Messaging (SMS)
- Mobile Web (WAP)
- No Answer/Busy Transfer
- Online Account Management
- Picture/Video Messaging (MMS)
- Premium Text Messaging (PSMS)
- Text Messaging (SMS)
- Voice Mail

Page Plus Cellular
