Home » Plans » \$25 Standard PIN

\$25 Standard PIN

Standard PINs are dual-purpose. They can be used for basic Pay-As-You-Go cell phone service, or as cash that you can add to a monthly plan that allows you to use more minutes, messages and/or data than your monthly plan provides.

Pay-As-You-Go

One way to use the \$25 *Standard* PIN is for pay-as-you-go cell phone service on our *Standard* plan. Once the PIN has been applied to your account, your prepaid account balance can be used for talk, text and data at the per-usage rates listed in the table below. When your balance is used up, simply add another *Standard* PIN. That's the beauty of prepaid – when you run out, just add more.

Standard PINs last for a period of 120 days*, so you can use it over time. This option is ideal for low-usage customers who only need to use their phone occasionally, like for emergencies.

Once activated, the 120-day duration takes effect immediately and is subject to the [terms of service](#) provided by Page Plus Cellular. Additional *Standard* PINs loaded to your account restart the 120-day rollover period. There is a \$0.50 per month service fee on the *Standard* plan.

*The \$10, \$25, and \$50 *Standard* PINs last 120 days. The \$80 *Standard* PIN (available only through authorized Page Plus dealers) lasts 365 days.

Monthly Plan Add-On

The \$25 *Standard* PIN can also be used as a monthly plan cash add-on. By adding a \$25 *Standard* PIN to an active monthly plan, you can use extra minutes, messages or data should you run out before your renewal date. Additional usage is based on the overage rates of your monthly plan. For example, if you run out of data and the data overage rate on your monthly plan is \$0.05 per MB, adding a \$25 PIN will give you an additional 500 MB to use.

Think of it as "Flex Data" - it's flexible in the sense that you don't have to wait until your renewal date to continue using talk, text or data. In addition, it's flexible because it rolls over month-to-month, so you can use it over time, just in months when you need it.

Don't worry – by adding a *Standard* PIN to your active monthly plan, you will not be switched to the *Standard* plan. To switch to the *Standard* plan from a monthly plan, you can call customer service and request it.

Need less minutes? Try [100 minutes](#) for only \$10.

Need more minutes? Try [2,000 minutes](#) for \$80*

*While the \$10, \$25 and \$50 denominations of the *Standard* plan last 120 days, the \$80 denomination lasts for a full year. The \$80 card/PIN is only available from authorized Page Plus dealers and/or their online store.

Page Plus Cellular is not responsible for lost, stolen, or misplaced cards.

This card is non-transferable and non-refundable.

Price: \$ 25.00

Standard airtime includes domestic voice calling within the Page Plus network. The following

Add to Cart

REDACTED - FOR PUBLIC INSPECTION

Standard airtime includes domestic voice calling within the Page Plus network. The following chart lists additional services and their associated rates:

Service	Amount	Rate
Calls to Domestic Numbers	\$0.06	Per Minute
Calls to Puerto Rico	\$0.12	Per Minute
Calls to Mexico (landline), Canada, Guam & U.S. Virgin Islands	\$0.34	Per Minute
Calls to Mexico (cellular)	\$0.49	Per Minute
Calls While Roaming	\$0.29	Per Minute
Text Messages (SMS)	\$0.05	Per Message Sent or Received
International Text Messaging	\$0.20	Per Message
Picture Messaging (MMS)	\$0.25 + Data Transport*	Per Message Sent or Received
Data Transport*	\$0.00099/KB (\$0.99/MB)	
Directory Assistance (411)	\$1.25 + Airtime	Per Call + Per Minute

*Data Transport

Data Transport is used to transmit and receive data for MMS (Picture Messaging), WAP (Mobile Web), e-mail and all other standard applications that require data not listed here. Standard data transport for MMS messages will be between 20 KB and 200 KB (\$0.0198 and \$0.198, respectively).

To Activate the \$25 Standard PIN

To start using a the \$25 *Standard PIN* (even if you are a current Page Plus customer on a different plan), you will need to already be subscribed to a current monthly plan or have purchased a Pay-As-You-Go plan PIN. You can use a \$25 *Standard PIN* to add minutes to any of our monthly [plans](#).

You can activate using any of the following methods (make sure you are not using your Page Plus cell phone while attempting to activate):

- Dealer: The store where you purchased your PIN can activate the plan for you. Charges may apply. Use our [store locator](#) to find a dealer near you.
- Online: [Register](#) or [login to My Account](#) and follow the instructions.
- Call our 24-hour automated system at 1-877-359-6695 from a landline.
- Call Customer Service at 1-800-550-2436 (Mon-Sat: 9:00 AM – 10:00 PM, Sun: 12:00 PM – 8:00 PM Eastern).

Replenishing an Account

Each Page Plus Cellular prepaid card comes with a number of prepaid cell phone minutes and a service period that begins the day you add the balance to your Page Plus Cellular account. For each Page Plus Cellular airtime card you purchase and add to your account, you will receive the following:

Card	Minutes	Rate per minute
\$10	100	\$0.10
\$25	416	\$0.06
\$50	1,000	\$0.05
\$80	2,000	\$0.04

Account Balance

When you use a service, your account will be charged at the rate listed above. Use typically begins when you answer a call, and continues until you end the call or it is otherwise terminated.

Account Life Cycle

The replenishment cycle for standard prepaid cell phone minutes is 120 days. In order to keep your Page Plus service active, you must add airtime prior to your end-of-service date, which is 120 days from your last replenishment. Failure to do so will trigger a 30-day grace period, after which your phone number will be deactivated.

Usage Fees

Use typically begins when you place or answer a call, and continues until you end the call or it is otherwise terminated. The rate billed is in accordance with the airtime denomination purchased. There is also a monthly service fee of \$0.50 that is deducted from your account on the 25th of every month. Any additional service features used will be billed according to the Services chart as listed in the Plans Details tab on this page.

Service Features

- 3-Way Calling
- Call Forwarding
- Caller ID
- Caller ID Blocking
- Call Waiting
- Direct International Dialing
- International Roaming
- International Text Messaging (SMS)
- Mobile Web (WAP)
- No Answer/Busy Transfer
- Online Account Management
- Picture/Video Messaging (MMS)
- Premium Text Messaging (PSMS)
- Text Messaging (SMS)
- Voice Mail

Page Plus Cellular

is a no-contract wireless provider with nationwide coverage on one of the largest networks in the United States. Page Plus is consistently ranked high among wireless providers for low rates, flexible plans and exceptional customer service.

\$50 Standard PIN

Standard PINs are dual-purpose. They can be used for basic Pay-As-You-Go cell phone service, or as cash that you can add to a monthly plan that allows you to use more minutes, messages and/or data than your monthly plan provides.

Pay-As-You-Go

One way to use the \$50 Standard PIN is for pay-as-you-go cell phone service on our Standard plan. Once the PIN has been applied to your account, your prepaid account balance can be used for talk, text and data at the per-usage rates listed in the table below. When your balance is used up, simply add another Standard PIN. That's the beauty of prepaid – when you run out, just add more.

Standard PINs last for a period of 120 days*, so you can use it over time. This option is ideal for low-usage customers who only need to use their phone occasionally, like for emergencies.

Once activated, the 120-day duration takes effect immediately and is subject to the terms of service provided by Page Plus Cellular. Additional Standard PINs loaded to your account restart the 120-day rollover period. There is a \$0.50 per month service fee on the Standard plan.

*The \$10, \$25, and \$50 Standard PINs last 120 days. The \$80 Standard PIN (available only through authorized Page Plus dealers) lasts 365 days.

Monthly Plan Add-On

The \$50 Standard PIN can also be used as a monthly plan cash add-on. By adding a \$50 Standard PIN to an active monthly plan, you can use extra minutes, messages or data should you run out before your renewal date. Additional usage is based on the overage rates of your monthly plan. For example, if you run out of data and the data overage rate on your monthly plan is \$0.05 per MB, adding a \$50 PIN will give you an additional 1000 MB to use.

Think of it as "Flex Data" - it's flexible in the sense that you don't have to wait until your renewal date to continue using talk, text or data. In addition, it's flexible because it rolls over month-to-month, so you can use it over time, just in months when you need it.

Don't worry – by adding a Standard PIN to your active monthly plan, you will not be switched to the Standard plan. To switch to the Standard plan from a monthly plan, you can call customer service and request it.

Need less minutes? Try 416 minutes for only \$25.

Need more minutes? Try 2,000 minutes for \$80*

*While the \$10, \$25 and \$50 denominations of the Standard plan last 120 days, the \$80 denomination lasts for a full year. The \$80 card/PIN is only available from authorized Page Plus dealers and/or their online store.

Page Plus Cellular is not responsible for lost, stolen, or misplaced cards.

This card is non-transferable and non-refundable.

FREE SHIPPING on ALL DEVICES

Limited-time offers, subject to change. Taxes and fees additional. At participating locations. Domestic only. Not all features available on all devices. Unlimited talk & text features for direct US communications between 2 people. Pay-In-Advance Monthly Plans: Features available until 30th day; if sufficient balance, services automatically renew at expiration. If balance is insufficient to renew for 120 days, account will be converted to Pay As You Go service available for only 30 days; then account is suspended. Pay As You Go: Service available for 90 days (one year for Gold Rewards) after activation/refill/conversion, then your account is suspended. Gold Rewards requires activation of \$100 in refills while on Pay As You Go plan. Pay By The Day: Service available for 90 days (one year for \$100 refills) after activation/refill. You will be charged for each day you use services. Daily rate charges apply when you send or receive any call or message, including calls to voicemail and other calling features. Plan options with data are charged the daily rate when any data usage occurs, including background data connections or automatic data syncing by applications or features. The daily rate for each plan option will be deducted each time you sign up for plan in a day. Day is 12:00 a.m. to 11:59 p.m., based on time zone associated with your phone number. If call spans multiple days (e.g., from 11:58 p.m. to 12:05 a.m.), you may be charged the daily rate for each day. Plan Changes or Renewals: When you switch between plan options or renew a monthly plan, features or credits associated with your prior plan option will no longer be available, and you are not able to switch back to some plan options. Some plan options will not allow early renewal. General Prepaid Terms: \$10 SIM starter kit may be required. Sufficient balance required to use service. Domestic use only; additional charges apply for international use. Calls rated on a per-minute basis. Partial minutes/kilobytes rounded. Data roaming only available for the \$50, \$60, and \$70 monthly plans. Roaming and on-network data allotments differ; see your selected service for details. Some plans include specified data speeds. Where indicated, full speeds available up to data allotment; then slowed to up to 2G speeds for balance of service period. Some plan options do not permit use of features after included amounts are depleted. If you transfer your number to another carrier, account will be deactivated and no service will be available. No Credit Family Plans: Deposit and \$10 SIM starter kit required. If you switch plans you may be bound by existing term (including early termination provisions) and/or charged an up to \$200 fee. Regulatory Programs Fee of \$1.81 per line/month applies. Taxes approx. 5-28% of bill. Partial megabytes rounded up. Full speeds available up to monthly allotment; then, slowed to up to 2G speeds for rest of billing cycle. Roaming and on-network data allotments differ; see your selected service for details. All lines must be activated in same T-Mobile market with same billing address and area code. Pay-In-Advance Mobile Internet Plans: Service available for time period and/or usage amount provided by Pass. For time period, a day is 12:00 a.m. to 11:59 p.m., based on time zone associated with account phone number. Usage rounded up to the nearest KB each session. Only one Pass may be active at a time. Account suspended after 365 days of inactivity. Data only; does not include voice, messaging or Wi-Fi services. Domestic only; no roaming. Compatible device required. Free Data: Eligible device required. 200 MB free data available every 30 days for as long as you own and use registered device with T-Mobile. No roaming. Usage applied first to passes, next to Starter Data, then Mobile Internet allotment. Bring Your Own Tablet: Unlocked, capable device required. Check your warranty and contract with your carrier to see what conditions apply to unlocking your device. Device and screen images simulated. Unlimited Int'l Talk & Text: Qualifying prepaid service with unlimited domestic messaging and unlimited domestic calling required for each line. Text messaging applies to mobile phones only; other types of messages (e.g., picture messages) are charged per message. International calling increments plan minutes (overage rates apply). T-Mobile may change countries at its discretion. Discounted rates to additional countries subject to change. Coverage not available in some areas. Network Management: Service may be slowed, suspended, terminated, or restricted for misuse, abnormal use, interference with our network or ability to provide quality service to other users, or significant roaming.

 *First 100MB at up to 4G speeds.

[Apply now](#)

Please note that certain plans are not available with InReach including; pay by the day plans, pay as you go and plans without voice.

The discounted pricing mentioned above is only available to those who qualify for InReach.

InReach, a Lifeline program offered by T-Mobile, is a government assistance program, which provides only eligible consumers with discounted service that is non-transferable and is available for only one line per household. A household is defined, for purposes of the Lifeline program, as any individual or group of individuals living at the same address that share income and expenses. T-Mobile offers InReach service only in areas where the company has Eligible Telecommunications Carrier status. Plan provides wireless service, capable device required to reach 4G speed. Limited-time offer; subject to change. Not all plans or features available on all devices. Domestic only. Unlimited features for direct U.S. communications between two people. **Lifeline/InReach Discount:** Once approved, activate Monthly4G plan on web or in store. Upon assignment of phone number, return to InReach profile to provide number and receive discount within 45 days. **Monthly Plans:** Features available for 30 days; if sufficient account balance, plans automatically renew at the end of 30 days. If balance is insufficient to renew for 60 days, account will be converted to Prepaid - Pay As You Go. **Prepaid General Terms:** Sufficient balance required to use service. Data usage rounded up to the nearest KB each use. Devices sold for use on T-Mobile prepaid service are to be activated on that service, not transferred for resale, modification or export. **Data Usage:** Roaming not available. Some plans include specified data speeds. Where indicated, full speeds available up to data allotment; after data allotment used, speeds slowed to up to 2G speeds. Your data session, plan or service may be slowed, suspended, terminated or restricted if you use your service in a way that interferes with or impacts our network or ability to provide quality service to other users, if you roam for a significant portion of your usage, or if you use a disproportionate amount of bandwidth. You may not use your plan or device for prohibited uses.

400 unit card:	---	\$1.00 is equal to 10.00 units
Old or Obsolete	---	\$1.00 is equal to 3.00 units
(0) unit Double Minute Annual Plan Card:	\$89.99	\$1.00 is equal to 1.66 units
unit Double Minute Annual Plan Card:	\$99.99	\$1.00 is equal to 2.50 units
300 unit Double Minute Annual Plan Card:	---	\$1.00 is equal to 2.30 units
400 unit Double Minute Annual Plan Card:	---	\$1.00 is equal to 3.07 units

[Top](#)

Dollar-To-Unit Conversion Examples

Regular Airtime:

60 Unit Airtime Card:
 A 60 unit airtime card with an MSRP of \$19.99 has a dollar-to-unit conversion factor of 3.
 For example: 3 units for each dollar (60 / \$19.99)
 Therefore, a \$1.99 Ringtone would cost (\$1.99 x 3) = 5.97 unit charge.

90 Unit Airtime Card:
 A 90 unit airtime card with an MSRP of \$24.99 has a currency-to-unit conversion factor of 3.60.
 For example: 3.60 units for each dollar (90 / \$24.99)
 Therefore, a \$1.99 Ringtone would cost (\$1.99 x 3.60) = 7.16 unit charge.

Double Minute Customers:

Double Minute Airtime Card:
 With an active double minute airtime card, the dollar-to-units conversion factors illustrated above for each airtime card is doubled.

Example using a 60 unit airtime card:
 With an active double minute airtime card, adding a 60 unit airtime card with an MSRP of \$19.99 provides a total of 120 units and a dollar-to-unit conversion factor of 6.
 For example: 6 units for each dollar (120 / \$19.99)
 Therefore, a \$1.99 Ringtone would cost (\$1.99 x 6 units) = 11.94 units.

Example using a 90 unit airtime card:

Data Cards Only for Android Phones WITH CARRYOVER
