COMMENTS INVITED ON APPLICATION OF CINCINNATI BELL EXTENDED TERRITORIES, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES

WC Docket No. 14-4
Comp. Pol. File No. 1138

Comments Due: February 12, 2014

Section 214 Application

Applicant: Cincinnati Bell Extended Territories, LLC

On January 3, 2014, Cincinnati Bell Extended Territories, LLC (CBET or Applicant), located at 221 East Fourth Street, Cincinnati, Ohio 45202, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue domestic telecommunications services in Tipp City, Ohio (Service Area). With an amendment filed on January 17, 2014, CBET updated the record regarding notice to customers.¹ Accordingly, CBET's application is deemed complete as of January 17, 2014.

CBET indicates that it currently offers telecommunications services in Tipp City, Ohio. CBET states, however, that it plans to discontinue all telecommunications services, POTS, PRI and DSL service in Tipp City, Ohio on or after February 28, 2014, subject to Commission approval. CBET asserts that it mailed notice of the proposed discontinuance to affected customers via U.S. mail on December 26, 2013. In its notice to customers, CBET explains that it is no longer able to offer a competitive rate for service in the area, but that customers will have other options for service. CBET clarifies, however, that if customers also subscribe to Cincinnati Bell's wireless service, that service will not be impacted by the proposed discontinuance. CBET states that it is considered non-dominant with respect to the services to be discontinued.

In accordance with section 63.71(c) of the Commission's rules, CBET's application will be deemed to be granted automatically on the 31st day after the release date of this public notice, unless the Commission notifies CBET that the grant will not be automatically effective. In the application, CBET indicates that it plans to discontinue all telecommunications services in Tipp City, Ohio on or after February 28, 2014, subject to Commission approval. Accordingly, pursuant to section 63.71(c) and the terms of CBET's application, absent further Commission action, CBET may discontinue telecommunications services in Tipp City, Ohio on or after **February 28, 2014**. The Commission

normally will authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.
