Re: *In the Matter of Lifeline and Link Up Reform and Modernization*,
WC Docket No. 11-42

Dear Ms. Dortch:

Pursuant to the Federal Communications Commission's *Report and Order*¹ requiring eligible telecommunications carriers to re-certify the eligibility of their Lifeline subscribers and to report the results to the Universal Service Administrative Company and to states and Tribal governments as well as this Commission, CenturyLink hereby submits its 2013 Lifeline re-certification results for the following states:

Alabama	Michigan	Oregon
Arkansas	Minnesota	Pennsylvania
Arizona	Mississippi	South Carolina
Colorado	Missouri	South Dakota
Florida	Montana	Tennessee
Georgia	Nebraska	Texas
Idaho	Nevada	Utah
Illinois	New Jersey	Virginia
Indiana	New Mexico	Washington
Iowa	North Carolina	Wisconsin
Kansas	North Dakota	Wyoming
Louisiana	Ohio	

¹ *In the Matter of Lifeline and Link Up Reform and Modernization, Lifeline and Link Up, Federal-State Joint Board on Universal Service, Advancing Broadband Availability Through Digital Literacy Training, Report and Order and Further Notice of Proposed Rulemaking*, 27 FCC Rcd 6656, 6715-16 ¶ 132 (2012); 47 C.F.R. § 54.416. Also see Public Notice, 28 FCC Rcd 12947 (2013).

Ms. Marlene H. Dortch

Page 2 of 2

The recertification results for Colorado do not include results for one study area code (SAC), impacting fewer than 40 customers, as CenturyLink recently discovered that it does not have completed recertification results for that SAC. CenturyLink is separately seeking a waiver for additional time to provide those completed results.

Please let me know if you have any questions.

Sincerely,

/s/ Tiffany West Smink
