**Re: Notice of Ex Parte Presentation in WC Docket No. 12-375
 Future Notice of Proposed Rule Making FCC 13-113
 Rates for Interstate Inmate Calling Services**

Dear Ms. Dortch:

On January 23, 2014, the Florida Sheriffs Association (NSA) met with Nick Degani, Legal Advisor to Chairman Pai, to discuss open rulemaking on intrastate rates. Sarrah Carroll, Assistant Executive Director of Operations, and Tabitha McDonald, Government Affairs Coordinator were present at the meeting.

In the meeting, FSA discussed the importance of the FCC not regulating intrastate rates on inmate calling services. FSA believes it is important for the Sheriffs of Florida to maintain the security and administrative functions necessary to protect the public and provide calling options for inmates incarcerated in county jails. FSA also discussed its concern that the Commission's current rate structure will cause ICS providers to exit the ICS market for jails, leaving Sheriffs unable to provide any ICS services for inmates.

Pursuant to Section 1.1206 of the Commission's rules, a copy of this letter is being filed via ECFs. If you have any questions, please do not hesitate to contact the undersigned.

Sincerely,

Sarrah Carroll
 Assistant Executive Director
