**Re: Erratum – Notice of Ex Parte Presentation, GN Docket Nos. 09-191, 10-127, WC
Docket No. 07-52**

Dear Ms. Dortch:

The original ex parte filed by The Internet Association on February 7, 2014, omitted WC Docket No. 07-52 from the subject line and was filed only in GN Docket Nos. 09-191 and 10-127. In accordance with the Commission's rules, this erratum and a corrected notice of ex parte presentation are being filed electronically in the above-referenced dockets.

Respectfully submitted,

/s/ Erik Stallman
