CG Docket No. 10-51, CG Docket No. 03-123, WC Docket No. 13-97

Dear Ms. Dortch:

On February 10, 2014, Paul Bradshaw, Senior Counsel for Sunesys, LLC ("Sunesys"), Walter Tustin, Vice President of Sunesys, and the undersigned met with Alex Minard and Ian Forbes of the Wireline Competition Bureau.

Sunesys stated that it may be interested in participating in the voluntary experiments in connection with this proceeding and it wished to obtain a better understanding of how a provider would be selected for such experiments in connection with this proceeding, including whether providers who do not service residential customers may be selected, and the likelihood of such occurring. Sunesys also asked about the timing and the process at the Commission in connection with this proceeding.

Sincerely,

Alan Fishel

Counsel for Sunesys, LLC
