I, James K. Brooks, certify that I am a duly authorized officer of Inland Long Distance Company ("ILDC" hereafter) and, acting as an agent of Inland, that I have personal knowledge that Inland has established operating procedures that are adequate to ensure compliance with the Customer Proprietary Network Information ("CPNI") rules of the Federal Communications Commission ("Commission"), codified at 47 C.F.R. Part 64 Subpart U, implementing Section 222 of the Communications Act of 1934, as amended.

Attached to this certification is an accompanying statement explaining how ILDC's procedures ensure that the company is in compliance with the requirements set forth in section 64.2001 et seq. of the Commission's rules.

ILDC has not taken any actions (proceedings instituted or petitions filed by ILDC at either state commissions, the court system, or at the Commission against data brokers) against data brokers in the past year. During the calendar year ended December 31, 2013, ILDC did not acquire first-hand any information that it has identified as being information with respect to the processes pretexters are using to attempt to access CPNI.

Inland has not received any customer complaints in the past year concerning the unauthorized release of CPNI.
