Re: Notice of Ex Parte Presentation, WC Docket No. 08-71

Dear Ms. Dortch:

This letter serves as notice, pursuant to 47 CFR § 1.1206(b)(1), that Michael Shultz, Vice President–Regulatory of Consolidated Communications Holdings, Inc., and the undersigned, made a telephonic oral presentation concerning Consolidated’s Application for Review of an order of the Wireline Competition Bureau (Order DA 13-2093, released Oct. 29, 2013) to Daniel Alvarez, legal advisor to Chairman Wheeler, on February 13. That order denied a petition for waiver of section 54.314(d) of the Commission’s rules, under which Consolidated’s subsidiary, SureWest Communications, was disqualified from receiving over \$2.5 million in high-cost support over the first six months of 2013.

During the presentation, Consolidated’s representatives discussed the facts and arguments presented in its Application for Review, including (1) the fact that SureWest had provided the Commission a certification pursuant to former rule 54.904 covering the same six-month period (Jan. 1 to June 30, 2013) and the same high-cost support payments for which SureWest had neglected to file a certification pursuant to amended rule 54.314; (2) the disproportionate and irrational effect of strict application of rule 54.314 under these special circumstances, relative to the consequences imposed on other Commission-regulated entities for similar (or even more serious) lapses in compliance with filing requirements; and (3) the potential impact on SureWest’s customers if the waiver is not granted.
