Reclassi fy Internet Servi ce Provi ders As Common Carri ers.

Dear representative of (us) the people of the United States of America. The FCC needs to Recl assi fy Internet Servi ce Provi ders As Common Carri ers, as the i nternet service provi ders were not cl assi fi ed as common carriers by the FCC and would threaten the future of net neutrality, in allowing big telecom companies to di scri mi nate in how they carry i nternet traffi c. Thank You for your help in thi s.
