Re: *Applications of Cricket License Company, LLC, et al., Leap Wireless International, Inc., and AT&T Inc. for Consent to Transfer Control of Authorizations, WT Docket No. 13-193*
NOTICE OF ORAL EX PARTE PRESENTATION

Dear Ms. Dortch:

On Friday, March 7, 2014, I conducted a telephone conference call with Erin McGrath, Legal Advisor to Commissioner O’Rielly. During the telephone conference call, we discussed AT&T’s proposed acquisition of Leap Wireless and the significant public interest benefits that the transaction will generate without causing any harm to competition. We also discussed AT&T’s voluntary commitments, described in a separate letter AT&T filed in this docket on March 6, 2014, which will further enhance the abundant public interest benefits that the transaction will achieve.

In accordance with section 1.1206 of the Commission rules, 47 C.F.R. § 1.1206, this letter is being filed electronically with your office for inclusion in the public record. Please contact me if you have any questions.

Respectfully submitted,

Joan Marsh
