RE: Acceleration of Broadband Deployment by Improving Wireless Facilities Siting Policies, WT Docket No. 13-238

Dear Ms. Dortch:

Pursuant to Section 1.1206 of the Commission's rules, this *ex parte* notice is filed on behalf of the City of San Antonio, Texas ("City"). On March 10, 2014, Ron Nirenberg, City Councilman, Thomas Downs, of Patton Boggs LLP and counsel to the City, and Jessica Bell and the undersigned, of Spiegel & McDiarmid LLP and counsel to the City, met with David Goldman, Senior Legal Advisor, Office of Commissioner Rosenworcel, to discuss the above-referenced proceeding. We discussed the issues raised in the City's Opening and Reply Comments filed in the above-referenced proceeding and in the attached written handout and presentation, which were distributed and discussed at the meeting. The City stressed the importance of preserving its ability to impose historical preservation, environmental and public safety conditions on installations and modifications of wireless facilities.

If there are any questions, please feel free to contact the undersigned.

Very truly yours,

Tillman L. Lay
