Re: *Amendment of Parts 1, 21, 73, 74 and 101 of the Commission's Rules to Facilitate the Provision of Fixed and Mobile Broadband Access, Educational and other Advanced Services in the 2150-2162 and 2500-2690 MHz Bands – WT Docket No. 03-66 – NOTICE OF ORAL EX PARTE PRESENTATION*

Dear Ms. Dortch:

I am writing pursuant to Section 1.1206(b)(2) of the Commission's Rules to report that on March 14, 2014, Todd D. Gray (representing the National EBS Association), Edwin N. Lavergne (representing the Catholic Television Network), Evan Carb (representing the Hispanic Information and Telecommunications Network, Inc.) and the undersigned (representing the Wireless Communications Association International) met with John Leibovitz and Brian Regan of the Wireless Telecommunications Bureau's front office and Blaise A. Scinto, John Schauble and Nancy Zaczek (participating by telephone) of the Wireless Telecommunications Bureau's Broadband Division. During the meeting, we discussed our unopposed June 19, 2013 proposal for the licensing of currently unlicensed Educational Broadband Service ("EBS") spectrum and encouraged the Commission staff to take the necessary steps to seek further public comment.

Pursuant to Sections 1.1206(b)(2) and 1.49(f) of the Commission's Rules, this letter is being filed electronically with the Commission via the Electronic Comment Filing System. Should you have any questions regarding this presentation, please contact the undersigned.

Respectfully submitted,

Paul J. Sinderbrand
