I got my free lifeline phone earlier this year after being released from prison and was told that once I began working, if the job would be paying me more than 17,000.00/yr that i had to turn my phone in or suffer possible federal charges. Problem is I wasn't given the address or number to call or turn it in to. Can anybody provide me with the necessary information please. My current E-mail address is styxz13_01997@yahoo.com. Thank you for listening and for any possible information you might provide.
