USAC-assigned Invoice Number (if known): 1747180
Amount of invoice: 6107.4
Reason for extension request: Incorrectly previously submitted 474

Reason for extension request: Invoice per was not submitted in time due to Accounts Receivable associate taking time off for a maternity leave. The replacement who was hired after was not aware of any outstanding issues until much later on when it was already past submission deadline. As a result of the miscommunication and omission of old invoices, our company has an outstanding balance which we to this day are still trying to close.

We deeply apologize for this, and ask that you please allow us more time to collect the funds.

Sincerely,
Andrew
