Thank you for your inquiry. Once you receive the 486 Notification letter you can file an appeal and explain that the wrong service start date was listed. For more information regarding Appeals, please refer to the following page on the Schools and Libraries website: website:<http://www.usac.org/sl/about/program-integrity/appeals.aspx>

If you have any further questions, please feel free to contact our Schools and Libraries Helpline at 1-888-203-8100. Please remember to visit our website for updates: <http://www.usac.org/sl>

[ApplicantFormID]=Internet

[FundingYear]=FY 16 (07/01/2013 - 06/30/2014)
[SPIN]=143036633
[FRN]=2472162 *Internet*

[Question2]=I made a clerical mistake on Block 3, Part E (Funding Year Service Start Date). I typed 7/31/2013 and it should be 7/01/2013. I submitted and certified before I realized this mistake.

Will I be able to make corrections on the 486 Receipt Notification Letter? I tried to submit a new 486, but I would get a message on the online form saying my FRN had a 486 filed and I could not file another one.

How will I correct this mistake?
