Subject: Interstate Inmate Calling Services (WCDocket No. 12-375)

Federal Communications Commission
Office of the Secretary

I am respectfully requesting your consideration for the ICS order (WC Docket No. 12-375) be stayed until the FCC and Sheriffs can determine a proper method for jails to recover cost. We do incur real cost to administer inmate calling service, however, the rates set by the FCC eliminate commissions to jails and on inter-state calls and does not include any allowance for cost recovery for jails. This would impact our current budget since the budget has already set for 2014.

Your consideration in this matter will be appreciated.

Thanks
