RE: Cox Communications California, LLC Santa Barbara Petition for
Determination of Effective Competition

Dear Ms. Dortch and Mr. Attisha:

The City of Goleta is submitting this letter in support of the above-referenced Petition, which Cox Communications California, LLC (Cox) filed with the Federal Communications Commission on or about February 17, 2014.

The City observes that DirecTV and Dish Network have been providing multichannel video services in competition with Cox for many years. Individuals and businesses, therefore, now may choose from a wide variety of competing multichannel video programming providers including Cox, DirecTV and Dish Network, among others. The City of Goleta believes that a fully competitive multichannel marketplace exists in the City, and it hereby requests that the FCC expeditiously grant Cox's Petition.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Michael T. Bennett
Mayor
