RE: CPNI Certification Filings
EB Docket 06-36
Fresno Mobile Radio, Inc.: FRN: 0001634922

Dear Sir or Madam:

We represent the interests of Fresno Mobile Radio, Inc. in its past submissions of the required CPNI certification, in accord with 47 C.F.R. §64.2009(e). Due to changes in its system architecture, Fresno Mobile Radio, Inc.'s system is no longer interconnected to the public switch telephone network and, therefore, no future CPNI certification is required. In an abundance of caution, Fresno Mobile Radio, Inc. hereby informs the Commission that it will not be filing CPNI certifications in the future. In the event that Fresno Mobile Radio, Inc. changes its system configuration and again becomes interconnected to the PSTN, Fresno Mobile Radio, Inc. will again comply with its CPNI requirements.

If there are any questions regarding this submission, please direct them to undersigned counsel.

Very truly yours,
