PARTIES’ JOINT STATUS REPORT

Pursuant to the order of the Chief Administrative Law Judge dated March 12, 2014, Cablevision Systems Corp. (“Cablevision”) and the Game Show Network, LLC (“GSN”) submit the following joint status report in the above-captioned action.

On June 7, 2013, GSN and Cablevision jointly moved for a continuance of the hearing in this matter, on the grounds that a continuance would allow the parties an opportunity to consider the potential impact of the D.C. Circuit’s May 28, 2013 panel decision in *Comcast Cable Communications v. FCC*, No. 12-1337 (D.C. Cir. filed August 1, 2012) (the “*Comcast Cable* action”) on the above-captioned proceeding. On December 3, 2013, Tennis Channel filed with the United States Supreme Court a petition for writ of certiorari in the *Comcast Cable* action, and the present matter was further continued while the *Comcast Cable* action remained subject to further review. The Supreme Court denied the petition for writ of certiorari on February 24, 2014. On March 11, 2014 Tennis Channel filed with the Commission a Petition for Further Proceedings seeking a ruling on whether the *Comcast Cable* record satisfies the standard set out by the D.C. Circuit.

Following the Supreme Court's denial of the petition for certiorari in the *Comcast Cable* action, the Presiding Judge ordered the parties to submit a Joint Status Report, "describing discovery needs and proposed dates for deposing witnesses, exchanging evidence, and commencing trial." On March 12, 2014, the Presiding Judge granted the parties until April 7, 2014 to submit a further status report.

A. Status Report of the Parties

1. GSN

In accordance with the Presiding Judge's Order, the parties have conferred on "their respective discovery needs and a reasonable schedule for accomplishing any necessary work" to fully account for the *Comcast Cable* action. It is clear from these discussions that GSN and Cablevision have significantly different views on the impact of the *Comcast Cable* decision on this matter. GSN believes that there remain issues on which the parties would benefit from limited additional time for further consideration and discussion. GSN believes that these discussions will permit the parties to streamline the universe of issues presented to the Presiding Judge for resolution.

GSN accordingly requests that the Presiding Judge grant the parties until Thursday, April 10, 2014, at 5 p.m. EDT to submit a further status report describing the discovery needs of the parties and proposed dates for deposing witnesses, exchanging evidence, and commencing trial.

2. Cablevision

Cablevision agrees that the parties have significantly different views on the impact of the *Comcast Cable* decision on this matter. Although Cablevision was prepared to file a joint status report today, Cablevision does not object to this request for a limited extension.

3. Enforcement Bureau

The Enforcement Bureau does not object to this request for a limited extension of time for filing the joint report.
