

Exhibit 2: Document Reference List and Associated Chart of Facts and Information Relevant to the MCLM Alleged Leases for the Stations

The chart that follows references the below defined documents by using the terms given in this reference list, e.g. “DOCUMENT 1”, “DOCUMENT 2”, etc. These documents may also be referenced in the text of the Response using the terms “DOCUMENT 1”, “DOCUMENT 1”, etc.

DOCUMENT 1:

*Responses of Puget Sound Energy, Inc. to the Enforcement Bureau’s First Set of Requests for Production of Documents*, filed by Puget Sound Energy Inc. on 8/29/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 2, 3, and 6.

DOCUMENT 2:

*Amended and Further Supplemental Response to Interrogatories*, filed by Maritime Communications/Land Mobile, LLC on 3/16/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 3.

DOCUMENT 3:

*Answers of Puget Sound Energy, Inc. to the Enforcement Bureau’s First Set of Interrogatories*, filed by Puget Sound Energy, Inc. on 8/25/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 5, 8, 12.

DOCUMENT 4:

*Supplemental Responses Per Order FCC 12M-38*, filed by Maritime Communications/Land Mobile, LLC on 8/4/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 2.

DOCUMENT 5:

*Joint Response of the Enforcement Bureau and Maritime to Order FCC 14M-9*, filed by Maritime Communications/Land Mobile, LLC and the FCC Enforcement Bureau on 3/26/14, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 5, 6, 7.

DOCUMENT 6:

*Responses to Interrogatories*, filed by Maritime Communications/Land Mobile, LLC on 3/13/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 3.

DOCUMENT 7:

*Pinnacle Wireless, Inc. Petition to Intervene*, filed by Pinnacle Wireless, Inc. on 12/30/11, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 2, 4.

DOCUMENT 8:

*Pinnacle Reply to Skytel Opposition*, filed by Pinnacle Wireless, Inc. on 1/12/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 2.

DOCUMENT 9:

*Pinnacle Wireless Response to Joint Motion of Enforcement Bureau and Maritime for Summary Decision on Issue G*, filed by Pinnacle Wireless, Inc. on 12/16/13, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 3.

DOCUMENT 10:

*Duquesne Light Company's First Amended Response to Enforcement Bureau's First Set of Interrogatories*, filed by Duquesne Light Company on 9/6/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 2, 3, 6.

DOCUMENT 11:

*Duquesne Light Company's Second Thursday Update*, filed by Duquesne Light Company, on 12/2/11, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: page 2 of its Exhibit 1 and "Exhibit A" to Exhibit 1 that contains a copy of the contract agreement (only ¼ of the Maritime licensed spectrum is to be purchased).

DOCUMENT 12:

*Brief of Duquesne Light Company in Support of Joint Motion for Summary Decision on Issue G*, filed by Duquesne Light Company on 12/16/13, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 4.

DOCUMENT 13:

*Duquesne Light Company Petition for Reconsideration, Request for Removal from Hearing Designation Order, and Request for Grant of Application*, filed by Duquesne Light Company on 5/19/11, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 11.

DOCUMENT 14:

*Explanation of Notification*, filed by Maritime Communications/Land Mobile, LLC on 7/23/09, Lease Application Number 0003909446. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 1.

DOCUMENT 15:

*Explanation of Notification*, filed by Maritime Communications/Land Mobile, LLC, on 2/22/10, Lease Application Number 0004131898. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 1, 2.

DOCUMENT 16:

*Explanation of Notification*, filed by Maritime Communications/Land Mobile, LLC on 11/2/09, Lease Application Number 0004014426. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 1.

DOCUMENT 17:

*Explanation of Notification*, filed by Maritime Communications/Land Mobile, LLC on 3/5/10, Lease Application Number 0004149128. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 1.

DOCUMENT 18:

*Explanation of Notification*, filed by Maritime Communications/Land Mobile, LLC on 5/11/09, Lease Application Number 0003834198. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 1.

DOCUMENT 19:

*Further Supplemental Response to Interrogatories*, filed by Maritime Communications/Land Mobile, LLC on 3/16/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 3, 4.

DOCUMENT 20:

*Duquesne Light Company's Responses to Enforcement Bureau's First Set of Requests for the Production of Documents*, filed by Duquesne Light Company on 8/27/12, in EB Docket No. 11-71. Pages cited in below chart or containing relevant information to the construction and operation of the Stations, or any alleged lease: 3 and the attachment "Communications with MCLM" regarding WHG750 and a lease.

Exhibit 2: Chart of Station Lease Information

Station Location	Lease Application filed with FCC	Lease Application #	Status	Date Lease notification filed	Date Lease application accepted by the FCC	Type of Lease (Spectrum Manager or De Facto Spectrum Manager)	Long term or short term	Lease Commencement Date	Lease Expiration Date	Area being leased	Amount of Spectrum Specified in Lease Application	DOCUMENT #	Text From DOCUMENT re: Lease and operations				
Call Sign # WHG750_1	Yes	0004149128	Expired (per its own terms)	3/5/10 in pending status before expiring	3/29/10	12/10/12 STATION MIE	217.0000 to 217.0500 MHz	219.0000 to 219.0500 MHz	217.0625 to 217.1125 MHz	219.0625 to 219.1125 MHz	217.1250 to 217.1750 MHz	219.1250 to 219.1750 MHz	217.1875 to 217.2375 MHz	219.2375 MHz	217.2500 to 217.3000 MHz	219.2500 to 219.3000 MHz	DOCUMENT 4 Call Sign WHG750 is now, and has been since February 2010, under lease to Duquesne Light Company. Page 2.  DOCUMENT 6 WHG750 in Harshville, Beaver County, (near Pitsburgh), in Pennsylvania. Page 3.  DOCUMENT 10 Duquesne leases portions of WHG750 from Maritme. Page 2. Duquesne constructed the following sites, which are also referenced in the "Buildout Documentation" file....Page 2. Duquesne is currently operating all sites. All of the towers set forth in response to Interrogatory No. 1 are operating in the 217-219 MHz band, except for the Mt. Washington, Clinton and Valley sites... Page 3. Duquesne also avers that its Plum Tower site is located in close proximity to the Allegheny County border and that, due to interference issues, Duquesne used a special antenna to reduce signal attenuation into surrounding counties. Page 6.  DOCUMENT 12 ...Duquesne constructed, and placed into operation antenna structures at ten (10) sites covered by call sign WHG750, and Duquesne continues its operations at each of these antenna structure sites to date. Page 4.  DOCUMENT 13 Duquesne uses its radio network-including the spectrum sought in the Application... Page 11.  DOCUMENT 17 MCI/M has dickeed the only spectrum band offered by ULS, but here notifies the Commission of the lease to Duquesne Light Company of only the following sub-bands: 217.0000 to 217.0500 MHz 219.0000 to 219.0500 MHz 217.0625 to 217.1125 MHz 219.0625 to 219.1125 MHz 217.1250 to 217.1750 MHz 219.1250 to 219.1750 MHz 217.1875 to 217.2375 MHz 219.2375 to 219.2375 MHz 217.2500 to 217.3000 MHz 219.2500 to 219.3000 MHz
KAE889 3_13	Yes	0003909446	Active	7/23/09	2/4/10 Spectrum Manager Lease	217.89375 MHz to 217.89375 MHz	219.86875 MHz to 219.86875 MHz	217.89375 MHz to 217.89375 MHz	219.86875 MHz to 219.86875 MHz	217.91875 MHz to 217.91875 MHz	219.94375 MHz to 219.94375 MHz	3_26.14	EB and Maritme Joint Response to Order 14M-9 at page 3.  DOCUMENT 4 Call Sign KAE889 locations 3 and 13, are now, and have been since 2008, under lease to the Evergreen School District. Page 2.  DOCUMENT 6 Maritime instead assumed the lease between Evergreen School District and Access 220 LLC and replaced that lease agreement by an amendment pursuant to which Evergreen utilizes spectrum on KAE889-3 at Livingston Peak in Clark County, Washington. Page 3 and again page 4.				

Call Sign #	Station Location	Lease Application filed with FCC	Lease Application #	Status	Date Lease notification application filed	Date Lease accepted by the FCC	Type of Lease (Spectrum Manager or short term)	Long term or short term	Lease Commencement Date	Lease Expiration Date	Area being leased	Amount of Spectrum Specified in Lease Application	DOCUMENT #	Text From DOCUMENT re: Lease and operations
WRV374 3, 16	Pinnacle Wireless, Inc	Yes	0004014426	Cancelled, 2/22/10	11/2/09	2/4/10	Spectrum Manager Lease	Long	11/23/09	5/30/2011, but canceled 2/22/2010	Philadelphia, PA; Allentown, PA	217.51875 MHz to 217.70625 MHz 217.71875 MHz to 217.73125 MHz 217.74375 MHz to 217.75625 MHz 217.76875 MHz to 219.90625 MHz 217.91875 MHz to 217.93125 MHz 217.96875 MHz to 219.98175 MHz	DOCUMENT 7, AT PAGE 2. DOCUMENT 9, AT PAGE 3 DOCUMENT 8, AT PAGE 2. DOCUMENT 9, AT PAGE 3 DOCUMENT 6, AT PAGES 2 AND 8. DOCUMENT 16	Although ULS should permit MC/LM to notify the Commission of the lease of less than its entire authorized band of spectrum, ULS is not configured to allow MC/LM to notify the Commission of the lease of sub-bands. Further, there is an error in ULS which prevents MC/LM from leasing its entire authorized band of spectrum. MC/LM has clicked the spectrum band offered by ULS, but here notifies the Commission of the lease to Evergreen School District of only the following sub-bands: Lease arrangement applies to the following sub-bands ONLY: 217.86875 MHz to 217.89375 MHz; 219.86875 MHz to 219.89375 MHz; 217.91875 MHz to 217.94375 MHz; 219.91875 MHz to 219.94375 MHz; 217.96875 MHz to 218.00000 MHz; 219.96875 MHz to 220.00000 MHz  Pinnacle has made significant investments to construct these existing networks operating on the Maritime spectrum... (PAGE 2) Pinnacle has substantial information demonstrating the construction of station WRV374. (PAGE 2) The New Jersey Turnpike Authority and the New Jersey Sports and Exposition Authority currently operate on the spectrum under Stations WRV374 and WQGF315 that Pinnacle leases from Maritime for operation of the respective State networks. (PAGE 4).  Pinnacle has constructed an operating network on the spectrum leased from Maritime... Page 2. ...Pinnacle's continuing and ongoing operation of a Statewide system in New Jersey utilizing spectrum authorized under WRV374... Page 3. ...Pinnacle's ongoing and extensive operations under the following Maritime site authorizations pursuant to spectrum leases are well established and undisputed in the record: WRV374-14 (Selden), WRV374-15 (Verona), WRV374-16 (Allentown), WRV374-18 (Valhalla), WRV374-25 (Perinville), and WRV374-33 (One World Trade Center). Page 3. Pinnacle has constructed approximately 20 sites within New Jersey... Page 2. Pinnacle has built this system within the contours of two incumbent locations, WRV374-15 in Verona, NJ and WRV374-25 in Perrinville, NJ. Page 2. Also see page 8. MC/LM has clicked the only spectrum band offered by ULS, but here notifies the Commission of the lease to Pinnacle Wireless, Inc. of only the following sub-bands:  217.51875 MHz to 217.70625 MHz; 219.86875 MHz to 219.90625 MHz; 217.71875 MHz to 217.73125 MHz; 219.71875 MHz to 219.73125 MHz; 217.74375 MHz to 217.75625 MHz; 219.74375 MHz to 219.75625 MHz; 217.76875 MHz to 219.90625 MHz; 219.76875 MHz to 219.90625 MHz; 217.91875 MHz to 219.93125 MHz; 219.91875 MHz to 219.93125 MHz; 217.96875 MHz to 219.98175 MHz
