Re: Regionet Wireless License LLC

Gentlemen:

I represent the radio system interests of Regionet Wireless License LLC before the Federal Communications Commission. On behalf of Regionet, I am filing herewith its notification of the activation of Public Coast Station WRV374 at Hamden, Connecticut.

Please note that I attempted to file the instant notification electronically via the Universal Licensing System, but the system refused to accept the filing because of an apparent error in ULS programming. For further information on the problem, please contact Cindy Gallagher of the Commission's staff at 717/338-2817. Refer to Technical Support ticket number 87288.

Please direct any question concerning this matter to my attention.

Very truly yours,

Dennis C. Brown
