The Honorable Tom Wheeler, Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Wheeler,

I was thrilled to read that you intend to take action next month to strengthen the FCC's media ownership rules. The FCC's action in this area is an important step to promote localism and greater diversity in our nation's media marketplace.

In your first few months as Chairman, you've demonstrated critical leadership on a wide range of consumer issues, including net neutrality, E-Rate reform, cell phone unlocking, improved location accuracy of wireless 9-1-1 calls, and your continuing work to ensure a successful incentive auction.

Thank you for your steadfast commitment to protect consumers and foster innovation, competition, localism and diversity.

Most gratefully,

Anna G. Eshoo  
Member of Congress
