Re: Wireless E911 Location Accuracy Requirements, PS Docket 07-114;
Facilitating the Deployment of Text-to-911 and Other Next Generation 911
Applications, PS Docket 11-153

Dear Ms. Dortch,

On April 16th, David Bruce of HTC America, Inc. (“HTC”) and I met separately with Commissioner Michael O’Reilly, Erin McGrath, Legal Advisor to Commissioner O’Reilly, Brendan Carr, Legal Advisor to Commissioner Agit Pai, and Jim Schlichting and Charles Mathias of the Wireless Telecommunications Bureau.

During these meetings, we discussed HTC’s business and demonstrated new HTC smartphones. We also discussed our concerns with the E911 location accuracy timelines, especially considering the nascent state of location technology.

Pursuant to Section 1.1206 of the FCC’s rules, 47 C.F.R. § 1.1206, this letter is being filed electronically via ECFS and a copy of this submission is being provided to the meeting attendees.

Sincerely,

_____/s/_____

Amy Wolverton
Vice President, Government Affairs and Public Policy
