Dear Ms. Dortch,

I am writing to request the FCC grant a waiver of the Funding Year 2014 Form 471 deadline so that Rockford Christian School's Form 471 E-Rate application will be considered as having been filed within the filing window.

I filed the Form 471 on March 5, 2014. After that date, the Rockford Christian School Technology Director signed contracts for additional internet bandwidth and a lower price for telephone service on March 10. I did not realize that there were new agreements until after the window closed.

I am not allowed to augment the original 471 request because the contracts were signed after the 471 was submitted.

The new contracts cover two-thirds of the internet access, voice and long distance services for the school. Not receiving the E-Rate funding will substantially impact the operation budget of Rockford Christian School.

I request that the 471 for the new internet and voice contracts, submitted after the 471 window closed, be considered as having been filed within the window.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky
E-Rate Manager
