Dear Ms. Dortch:

On Monday April 21, 2014, Randall Stephenson, Chairman and CEO of AT&T, had a telephone conversation with Chairman Tom Wheeler of the FCC to discuss AT&T's planned announcement to expand fiber deployment and to discuss issues previously raised by AT&T in the above proceedings.

His comments were all consistent with previously articulated positions in the aforementioned proceedings. In accordance with the Commission's rules, this letter is being filed electronically with the Secretary for inclusion in the public record.

Sincerely,

A handwritten signature in cursive script that reads "Robert W. Quinn, Jr.".
