Ms. Dortch:

This will serve to formally submit an FCC Appeal for a request for waiver of the 120-day certification rule for form 486 # 1007965 as it pertains to the following applicant information:

- **Billed Entity Name:** Ridgeview Classical Schools
- **Billed Entity Number:** 16068820
- **Form 471 Application Number:** 862512
- **Application Type:** Priority One
- **FRNs:** 2380225, 2380259, and 2380431
- **Service Providers:** Comcast Business, Electric Lightwave, and Verizon Wireless
- **Funding Year:** 2012
- **Contact Information:** John Egan, 20885 N. 90<sup>th</sup> Pl #110, Scottsdale, AZ 85255

**Appeal Explanation:**

FundED Consulting, on behalf of Ridgeview Classical Schools, is appealing the 486 service start date of 12/16/2013 on application # 862512, FRNs 2380225, 2380259, and 2380431. We would like to ask for the service start date to be moved from 12/16/2013 to 7/1/2012. We would like to cite a change in staffing at the school as the reason the 486 did not get submitted in a timely manner. FundED secured an FCDL approval, but failed to file a 486 in a timely manner, as a result of a change in staffing at the consulting firm and at the school. We are asking to restore the funding in full (about \$26,100) instead of the 0% of the funding that is available for reimbursement, as this is not a mistake on the part of the school.

Please forward all questions or requests for clarification to the contact information cited below my signature line herein.

Thank you in advance for your consideration in this important matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Egan", written over the word "Sincerely,".
