

7521105328.txt

Reclassify broadband internet as a telecommunications (or "Common carrier") service. Right now broadband is regulated like TV or radio, which doesn't make sense. The internet is a tool that has made the world a better place. People living off of \$1 a day have the same access to it as people off of \$1,000 a day. Please continue the equality.

Thank you.
