Re: In the Matter of Expanding the Economic and Innovation Opportunities of Spectrum Through Incentive Auctions, GN Docket No. 12-268, Office of Engineering and Technology Releases and Seeks Comment on Updated OET-69 Software, ET Docket No. 13-26, Notice of *Ex Parte* Communication

Dear Ms. Dortch:

On May 8, 2014, the National Association of Broadcasters (“NAB”) submitted updated data comparing the results of coverage area and population served as calculated using Bulletin OET-69 as opposed to *TVStudy*. Robert Weller, of the Office of Engineering and Technology, requested that NAB submit, in native form, the Microsoft Excel spreadsheets that accompanied this filing. Accordingly, NAB hereby submits those two spreadsheets.

Respectfully Submitted

A handwritten signature in black ink, appearing to read "Patrick McFadden", with a long horizontal flourish extending to the right.

Patrick McFadden
Vice President, Strategic Planning
National Association of Broadcasters
