I am filing this document because as a citizen of this country I (am supposed to) have a say in the laws that are passed. Let me be perfectly clear: IF NET NAUTRALITY IS NOT REINSTATED. WHOEVER ALLOWES THIS ATROCITY TO CONTINUE WILL FOREVER LOSE MY VOTE. FURTHERMORE, I WILL VOICE MY DISDAIN FOR BOTH THE DECISION AND CANDIDATE(S) THAT ALLOWED THIS TO CONTINUE TO EVERY SINGLE PERSON I CAN. I will not sit by and allow the content I want to experience be FILTERED, SLOWED, HAULTED by some Power Crazyed Corporation on its death bed or its lacky looking for a cushy job after his/her cycle. My voice and the voice of all U.S citizens matters.
