Dear Tom:

Net neutrality; Comcast-Time Warner; the Aereo case. Yikes! Ah well, nothing you can't handle. Gone are the lazy days at the ballpark.

I met an interesting young attorney at a local reception for the new dean of the law school at a certain university somewhere north of Columbus. Her name is Katherine Mason Jones. She has an application in for a position at the Commission. She has some telecommunications experience derived from her work in the antitrust division at Justice. I believe she is an acquaintance of your chief of staff. She seemed quite impressive so I told her I would put in a good word with you. Whatever consideration you can give her would be appreciated.

Keep up the good work.

Yours,

Stuart Feldstein
