You guys (THE FCC AND COMCAST AND TIME WARNER AND VERIZON AND OTHERS PARTICIPATING) have completely ruined the internet. I am 100% opposed to the current rulings of the open internet. Net Neutrality (100% open access to the internet) should be law like other countries have done. As an active internet user, I will not pay any money to use this unusable internet and I hope your rule is only of a wasteland.

Reclassify broadband internet as a title II common carrier telecommunications service. This is the only way I see out of the mess you've created. I will not compromise. I will not be silenced by those with money. I will not stand for a broken country.
