We, the people of the United States of America, cannot stand idely by while our internet gets fucked with in an unhelpful way. We will not rest untill our internet remains open and free of greedy restrictions. We will not lie down and get walked all over. We will stand to protect our internet no matter the cost. We will stand in the way of large corperations intent on fucking over our internet. We will stand in the way of any part of the governemet intent on fucking over our internet. We, the people of the United States of America, do deem our internet sacred and holy and shall not allow the few to benefi te over the many.
