Re: **Ex Parte Notice** - PS Docket 11-153 and PS Docket No. 10-255

Dear Ms. Dortch:

On May 19, 2014, Paula Boyd, Microsoft, Brendan Kasper, Vonage, and Glenn Richards, Executive Director of the Voice on the Net Coalition (VON), met separately with Brendan Carr, Legal Advisor for Commissioner Pai, David Goldman, Senior Legal Advisor for Commissioner Rosenworcel, and Erin McGrath, Legal Advisor for Commissioner O'Reilly. During the meetings, VON discussed its comments filed in the above-referenced proceedings concerning the capabilities of over-the-top ("OTT") providers to route text messages to 911, the difficulties of recovering any costs for implementing text-to 911 capabilities, limiting any requirement to interconnected text providers, and the applicability of liability limitations to OTT text providers if a requirement is imposed.

Please contact me directly if you have any questions.

Sincerely,

/s/

Glenn S. Richards  
Executive Director
