Form 471 Application Number-992068

We are asking for an appeal on our 2015-2016 form 471 (Application Number- 992068). I am the only one in our school that does e-rate and has permission to e-file. I had everything together and ready to file our form 471 and I ended up in the hospital and was unable to come in to work over the time that the form was due. As soon as I came back to work I filed our form. I have not received the decision letter from USAC at this time.

Please let me know if you have any questions or if there is any more information that you may need.

Thank you so much for your help with this matter.

Respectfully,

Mandy Pascale
