Appeal Reason FCDL dated February 5, 2013

#### Appeals Explanation:

Saint John's School (200287) during PIA review process receives a question about Item 21 was submitted on time. We send the information to requested PIA reviewer on August 19, 2013 and January 29, 2014.

During the PIA review, we do not receive any more questions.. The FRN were denied and here is the denial comment in the FCDL:

DR1: This FRN is denied because the Item 21 Attachment was not received on or before the filing deadline. The Item 21 Attachment is an FCC Form 471 Window filing requirement. You failed to provide sufficient documentation demonstrating the Item 21 Attachment was submitted timely. FCC Forms 471 with Item 21 Attachments that met the FCC Form 471 Window requirements has funding priority over

applications received after the filing deadline. Given that funding demand for FCC Forms 471 filed within the window exceeds the amount available for commitment, we cannot consider this FRN for funding.

Recently we fill an appeal and send the request documentation and proof of on time submits on time of ITEM 21. The letter denied explains that we send the Form 471 certification but not the Item 21. On January 29, 2014. On this dated we send all the information requested please see the copy of the information send this day and prior date also.

Enclosed is an answer of the question made for the PIA reviewer. We would like you accept this documentation and reconsider USAC's decision to deny the funding requests. Thanks for your time and attention to this matter.

Sincerely,

Martha Ariza, IT Director  
Saint John's School (200287)
