Please don't "fix" something that ISN'T broken. Is America really something that can be bought so easily? Comcast and Time Warner have spent such an incredible amount of money on these campaigns that limit our freedom as a people that it could not be more obvious their intentions will only hurt this country even more. And why not just put "name" in the "ECFS Express" box? Why is it "Name of Filer?" Are you trying to make this form confusing??? Why was it so hard to use this site and process this petition AGAINST Comcast's proposal? I literally haven't had such broken/slow internet connection since the 90's. It's taken me now 5 attempts to send this...
